KEY TRANSIT FACTORS

☉ Sun △ Trine ♁ natal Chiron ★

Right now you find it easier to talk about past hurts without becoming defensive or withdrawn. You're **more willing to listen to feedback** about your weak spots and actually do something practical with it. These few weeks are a good window to work on old patterns that usually trip you up, since you're approaching them with less shame and more actual curiosity.

♁ Chiron △ Trine ♀ natal Venus

You find it easier to talk about what you actually need from the people close to you without feeling guilty or defensive. Your **honesty about your own worth** comes across as calm instead of demanding, so others listen and respond well. Over the coming weeks, this directness helps you build relationships that feel more real because they're based on what you actually want, not what you think you should want.

♁ NNode △ Trine ♃ natal Jupiter

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

☿ Mercury * Sextile ♃ natal Jupiter

Right now your **thinking is clearer and more optimistic**, which makes conversations and learning feel easier than usual. You find yourself explaining your ideas well and picking up new information quickly, whether that's at work, in classes, or just talking with people. These days you're more likely to take practical chances and say yes to opportunities because you actually believe things might work out.

☾ Moon □ Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

☉ Sun ☌ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☌ Quincunx ♄ Saturn

Right now you feel a mismatch between what you want to do and what seems practical or allowed. You might push forward with a plan only to run into a real obstacle that makes you reconsider, or hold back when you actually have a real opportunity. **This awkward timing between your drive and your responsibilities** means you cannot simply act on instinct—you need to adjust, compromise, or wait for better conditions.

☉ Sun △ Trine ♃ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.
