KEY DATE

☿ Mercury enters ♏ Sagittarius

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

KEY TRANSIT FACTORS

♂ Mars △ Trine ♃ natal Mercury

Your mind feels sharper these days, and you can express what you think without second-guessing yourself. You find it easier to **organize your thoughts into action**, whether that's talking through a problem or getting a project moving forward. This practical clarity lasts a few weeks, so it's a good time to handle conversations you've been putting off or tackle work that needs both thinking and doing.

☉ Sun ∟ Semi sextile ♅ natal Uranus

These days you feel **more willing to try new approaches** without forcing big changes or making yourself uncomfortable. You notice small opportunities to do ordinary things differently, and they actually work out. This is a good time to test small experiments in your work or routines because your usual caution is relaxed just enough to let you be flexible.

☉ Sun * Sextile ♀ natal Venus

Right now you find it much easier to **express affection and say what you appreciate about people** in your life. Your social interactions feel smoother because you're naturally more relaxed and genuine instead of guarded. Over the coming weeks, others respond well to this openness, and relationships often deepen without you having to work hard at it.

♂ Mars ∟ Semi sextile ♂ natal Mars

These days you're finding it easier to **take action on things you've been putting off**, whether that's a project at work or a personal goal you've wanted to tackle. Your motivation feels steadier than usual, and you're not fighting yourself as much when it comes to getting started on difficult tasks. Over the coming weeks, this quieter boost to your initiative can help you build real momentum without burning out.

♇ Pluto * Sextile ♁ natal Chiron

Right now you find it easier to **talk about past hurts without getting stuck in them**, which means conversations about difficult experiences feel less raw than usual. You're more willing to listen to other people's pain too, and they seem to respond by opening up to you in ways that deepen your relationships. Over the coming weeks, this natural confidence in handling hard topics gives you a practical advantage in resolving conflicts that have been hanging around.

♃ Jupiter Rx · ♉ Taurus

Material growth and financial expansion slow during this period, encouraging a more careful review of resources and values. Over-commitments made in a spirit of optimism may now feel burdensome. Consolidating what you have is more productive now than reaching for more.

☉ Sun ☌ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun △ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

LUNAR DAY

Moon in ♋ Cancer · Day 20 / 30 · Waning Gibbous
