♁ Lilith	in ♑ Capricorn	12°22'11"	VI

KEY TRANSIT FACTORS

♀ Venus ☐ Square ♂ natal Mars · peak 13 Jan ★

Over the coming weeks, you're likely to feel **restless and impatient in your relationships**, wanting more excitement or attention than your partner is willing to give right now. Your desire for closeness keeps bumping up against your need to do things your own way, which can create awkward moments or small arguments that feel out of proportion. These clashes are temporary, but they'll show you where you and the people close to you actually want different things.

♄ Chiron ☿ Quincunx ♅ natal Uranus · peak 13 Jan

You feel uncomfortable with your usual ways of doing things, even though you can't quite explain why. These days you notice yourself wanting to break free from routines that normally work for you, which creates **practical friction between your need for stability and your urge to change direction**. Over the coming weeks, small adjustments in how you handle independence or unconventional choices will feel necessary, even if they don't come naturally to you right now.

♅ Uranus ♂ Conjunction ♄ natal Saturn · peak 28 Jan

You feel a sudden urge to break free from routines and structures that have been holding you in place, even the ones you built yourself. **You become restless with rules and schedules** — whether at work or in your personal life — and you start questioning why you've accepted certain limits. Over the coming weeks, you'll likely make at least one practical change to how you organize your time or responsibilities, and it may feel both liberating and slightly uncomfortable at the same time.

♁ NNode * Sextile ♆ natal Neptune · peak 2 Jan

While this lasts, you find it easier to **trust your instincts about people and situations** without needing to overthink everything. Your imagination and practical sense are working together right now, so you can pick up on what others need without them having to spell it out. These small acts of understanding often lead to real connections that feel less forced and more genuine than usual.

♁ NNode ♂ Opposition ☾ natal Moon · peak 3 Jan

Over the coming weeks, you feel **pulled between what makes you feel safe and what people around you actually need from you**. Your instinct is to retreat into familiar comfort, but others are asking you to show up differently, and ignoring them creates real tension in your relationships. This clash between your emotional habits and external demands won't resolve quickly, but it will force you to recognize which patterns no longer serve anyone.

♄ Saturn ☐ Square ♄ natal Chiron · peak 23 Jan

Right now you are **more aware of your own limitations and past hurts**, which makes it harder to brush them off or move past them quickly. You may feel blocked when trying to help others or do work that normally feels meaningful, because old doubts about your capability are surfacing. Over the coming weeks, facing these uncomfortable feelings directly, rather than avoiding them, is what will actually move you forward.

♁ NNode ☿ Conjunction ♀ natal Pluto · peak 19 Jan

You are drawn to situations where you have to confront what you actually want instead of what you think you should want. This period brings moments where your usual ways of handling power and control no longer work, forcing you to make real changes in how you relate to others. Over the coming weeks, you may find yourself saying no to people or situations you would normally tolerate, which feels uncomfortable but also oddly necessary.

♃ Jupiter ☐ Square ♆ natal Neptune · peak 14 Jan

Right now you are **overestimating what you can achieve** and making promises you cannot keep. Your optimism is running ahead of reality, and you may find yourself committed to projects or goals that are actually beyond your practical reach. Over the coming weeks, disappointment will follow when you realize the gap between what you imagined and what is actually possible.

♃ Jupiter ∟ Semi sextile ☾ natal Moon · peak 13 Jan

You find it easier to ask for what you need right now, and people tend to respond well when you do. Your mood is steadier than usual, which makes **speaking up about emotional concerns feel less risky**. Over the coming weeks, small conversations that might normally feel awkward often lead to genuine support instead.

♃ Jupiter ☿ Quincunx ♀ natal Pluto · peak 9 Jan

Over the coming weeks, you may feel **restless with situations you thought were settled**, wanting to change things that previously felt stable or important to you. Your confidence in what you control grows, but it doesn't match up neatly with what's actually possible right now, leaving you frustrated. These misalignments between what you want to reorganize and what the real world allows are the main friction you'll notice while *Jupiter* stays at odds with your *Pluto*.

♃ Jupiter ∟ Semi sextile ♃ natal Jupiter · peak 22 Jan

Over the coming weeks, you'll notice a quiet **boost in your confidence about making decisions** that affect your future. Small opportunities or lucky breaks show up without you having to push hard for them, and you feel more willing to say yes to them. This is *Jupiter* giving your natural optimism a gentle lift, so take advantage of any openings that match what you actually want right now.

♄ Chiron ∟ Semi sextile ♂ natal Mars · peak 31 Jan

These days you're finding it easier to **speak up about what you actually need** instead of pushing through on your own. You're noticing that asking for help or setting a boundary doesn't drain you the way it used to. This quieter confidence is showing up in conversations at work and in your relationships, making things feel less exhausting overall.

♃ Pluto * Sextile ♄ natal Chiron · peak 31 Jan

Right now you find it easier to **talk about past hurts without getting stuck in them**, which means conversations about difficult experiences feel less raw than usual. You're more willing to listen to other people's pain too, and they seem to respond by opening up to you in ways that deepen your relationships. Over the coming weeks, this natural confidence in handling hard topics gives you a practical advantage in resolving conflicts that have been hanging around.

♄ Lilith ☿ Conjunction ♃ natal Uranus · peak 1 Jan

You're feeling a stronger urge to break away from rules or expectations that usually bind you, and you're more willing to act on that impulse without planning ahead. Your **need for independence suddenly feels urgent**, and you might say or do things that surprise people who know you as reliable. Over the coming weeks, situations that felt settled may shift quickly as you test new boundaries in your relationships or work.

♆ Neptune ☿ Conjunction ♄ natal Chiron · peak 1 Jan

Right now you are more aware of where you feel inadequate or broken, and you may find yourself wanting to help others with similar pain instead of focusing on your own healing. This shift toward **helping others deflect from yourself** can feel noble but often leaves your own needs unmet. Over the coming weeks, watch whether you are actually listening to what you need or just getting lost in someone else's problems.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

** = natal resonance — this transit echoes your birth chart, amplifying its influence*

LUNATIONS

○ Full Moon · Wednesday, 4 Jan

in ♋ **Cancer**

emotional culmination, family matters, inner needs surface

in H12 — Inner Life & Solitude

Something hidden is surfacing. This full moon illuminates **the private, unconscious, and carefully concealed aspects of your life** — old emotional patterns, self-sabotaging habits, or matters you've kept from even yourself. This is one of the most psychologically significant lunations and often coincides with a release of something that has been draining you in private. What comes to light now, though it may be uncomfortable, ultimately creates space for genuine renewal.

● New Moon · Friday, 20 Jan

in ♒ **Aquarius**

innovation, social ideals, future direction

in H7 — Partnerships

A significant new chapter in your one-on-one relationships is beginning. Whether in **romantic partnership, business collaboration, or important agreements**, this lunation plants seeds that will mature over the next six months. The people you meet or commit to now carry lasting significance. If you've been considering a serious conversation with a partner or are ready to formalize a collaboration, this is the most supportive moment to take that step.

KEY DATES

Sun, 1 Jan ♁ Lilith ♂ Conjunction ♂ natal Uranus

♆ Neptune ♂ Conjunction ♄ natal Chiron

Mon, 2 Jan ♁ NNnode * Sextile ♆ natal Neptune

Tue, 3 Jan ♁ NNnode ♉ Opposition ♃ natal Moon

Wed, 4 Jan Full Moon in Cancer

Mon, 9 Jan ♆ Neptune ♂ Conjunction ♄ natal Chiron

Tue, 10 Jan ♀ Mercury enters ♒ Aquarius

Mercury in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

Fri, 13 Jan ♂ Mars enters ♈ Aries

Mars in *Aries* brings **directness and speed** to how people push for what they want, whether at work or in conversations. You'll notice people **act faster** on decisions and speak up more bluntly instead of holding back, which can get things done quickly but also create friction if someone feels steamrolled. In practical terms, this is when **competition heats up** — at the gym, in meetings, on projects — and people have less patience for delays or obstacles.

Sat, 14 Jan ♃ Jupiter ☐ Square ♆ natal Neptune

Sun, 15 Jan ♂ Uranus ♂ Conjunction ♄ natal Saturn

Tue, 17 Jan ♀ Venus enters ♒ Aquarius

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

Thu, 19 Jan ♁ NNnode ♂ Conjunction ♇ natal Pluto

Fri, 20 Jan ☉ Sun enters ♒ Aquarius

New Moon in Aquarius

Sun in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

Sun, 22 Jan ♇ Pluto * Sextile ♄ natal Chiron

Mon, 23 Jan ♄ Saturn ☐ Square ♄ natal Chiron

Sat, 28 Jan ♂ Uranus ♂ Conjunction ♄ natal Saturn

Mon, 30 Jan ♁ Lilith enters ♏ Scorpio

♄ Saturn ☐ Square ♄ natal Chiron

Lilith in *Scorpio* brings a **sharper edge to how you speak up** about things you've kept quiet about before. In relationships and at work, people often notice they stop **softening their real opinions** to keep the peace, and conversations become more direct and sometimes uncomfortable. *Scorpio's* influence makes this transit less about dramatic rebellion and more about **refusing small compromises** — you'll see it in how you set boundaries around your time, money, and who gets access to your attention.
