The overall compatibility between two people — the baseline energy and ease of their relationship. It is the foundation all other scores are built on.

SUN SIGNS COMPATIBILITY

A meeting between the explorer and the builder — one oriented toward expansion, one toward structure. **Sagittarius brings the vision and enthusiasm that Capricorn's ambitions need; Capricorn brings the discipline and persistence that gives Sagittarius's vision a real chance of landing.** Sagittarius resists limits, Capricorn works within them. But the complementarity is genuine, and when both people are secure, the pairing produces an unusually complete combination of ambition and adventure.

ASPECTS — TYRA & DOVE

☉ Tyra ♉ ? Dove · Sun Opposition Asc · 0°02'

Between them sits a fundamental visibility clash. Tyra's core identity naturally draws attention and assertion, while Dove's instinct is to present a carefully controlled surface to the world. They tend toward **mutual misreading**—Tyra sees through the mask and pushes, Dove experiences this as invasive or dismissive of their self-presentation. Growth happens only when Tyra learns that Dove's public persona isn't deception but protection, and Dove stops interpreting Tyra's directness as personal attack. The friction, properly navigated, can teach both real honesty.

☉ Tyra ✕ ♄ Dove · Sun Sextile Chiron · 1°21'

This combination creates **natural reassurance** between them. Tyra's *Sun* radiates a steady warmth that helps the other feel genuinely seen—not fixed, but accepted. Their presence doesn't trigger defensiveness; instead, it quietly affirms that vulnerability has space here. The dynamic flows without effort toward **mutual trust**, allowing deeper wounds to surface safely when they're ready.

☽ Tyra △ ♇ Dove · Moon Trine Pluto · 4°53'

The relationship has an unusual ease around **emotional depth and transformation**. Tyra's *Moon* feels naturally safe with Dove's intensity—they don't need to soften or hide their feelings. There's a quiet trust that allows them to move through difficult emotional terrain together without drama or resistance.

☽ Tyra ✕ ♂ Dove · Moon Sextile Mars · 1°27'

The dynamic flows toward **natural support and momentum**. Tyra's *Moon* finds comfort in the other's directness and drive—there's no neediness or emotional demand, just a settling ease when they're around. Dove's *Mars* moves freely here, felt and encouraged rather than questioned, while they in turn handle the emotional currents without defensiveness. Between them, action and feeling move in the same direction.

☽ Tyra □ ♃ Dove · Moon Square Jupiter · 4°29'

Between them sits a real mismatch in emotional needs. Tyra's *Moon* craves depth and reassurance, while Dove's *Jupiter* tends toward expansion, optimism, and looking ahead—often glossing over what the other person actually feels. This creates **emotional dismissal**, where the more Dove grows or explores, the more Tyra retreats into hurt or resentment. Growth here requires Dove to slow down and truly listen, not just offer solutions.

☿ Tyra ♂ ☽ Dove · Mercury Conjunction Moon · 4°07'

The connection creates **emotional transparency** between them. Dove feels naturally understood by the other person's words and ideas—there's an ease in being heard on a feeling level. Tyra's *Mercury* speaks a language that reaches Dove's *Moon* directly, making conversation feel intimate rather than purely intellectual. What matters is whether they both value this closeness; without it, the other person's need to talk things through can feel like pressure rather than connection.

☿ Tyra ✕ ☉ Dove · Mercury Sextile Sun · 0°22'

The relationship benefits from **natural conversational ease**. Dove's *Sun* brings warmth and clarity that makes the other person feel genuinely heard and valued; they respond by articulating what the first person needs to understand. Their back-and-forth feels effortless—one speaks, the other listens with real interest and then reflects something useful back. This combination tends to build understanding quickly, without tension or talking past each other.

☿ Tyra ✕ ♆ Dove · Mercury Sextile Neptune · 0°35'

Between them flows a **natural creative understanding**. Tyra's *Mercury* translates the other's more abstract, intuitive thoughts into language and ideas they can both work with—without flattening what makes them interesting. They find Dove genuinely easy to talk to; there's no pressure to be purely logical or literal. This pairing tends toward **imaginative collaboration**, where practical thinking and dreamy vision simply click.

♀ Tyra ♂ ♅ Dove · Venus Conjunction Uranus · 2°21'

The connection crackles with **unpredictability**. Tyra's *Venus* seeks consistency and reassurance in love, while Dove's *Uranus* resists routine and thrives on change—creating a push-pull dynamic that can feel exciting or destabilizing depending on how they navigate it. They'll need to consciously balance Tyra's need for emotional anchoring with the other's need for freedom.

♀ Tyra ♂ ♆ Dove · Venus Conjunction Neptune · 2°38'

This combination tends to blur the line between attraction and idealization. Tyra's *Venus* is drawn to Dove's mystique and emotional depth, while they can feel like the answer to an unspoken longing. The risk is real: Dove may not match the image Tyra has constructed, and disillusionment can follow when reality emerges. What works is **conscious tenderness**—acknowledging the fantasy while staying grounded in who the other person actually is.

♀ Tyra ♂ ☉ Dove · Venus Conjunction Sun · 2°51'

There's an immediate **magnetic pull** between them. Dove's *Sun* naturally radiates the qualities Tyra finds deeply attractive—confidence, direction, vitality—and they respond with genuine warmth and admiration. This creates an easy, mutual appreciation where Dove feels valued for who they are, and the other person feels seen and desired, making affection flow without effort.

♂ Tyra □ ♆ Dove · Mars Square Neptune · 0°36'

Between them sits real frustration: Tyra's *Mars* wants clarity and direct action, but Dove's *Neptune* tends toward ambiguity and avoidance. Tyra reads this as evasion or deception—even when it isn't—and pushes harder, which only makes Dove withdraw further into confusion or fantasy. **Mutual misunderstanding** becomes the default until both recognize they're speaking different languages about what commitment actually means.
