KEY TRANSIT FACTORS

☉ Sun ☿ Quincunx ♆ natal Neptune ★

Right now you're noticing that what you want to do and what actually works don't quite line up, so you have to make small adjustments constantly. You might feel **pulled between being direct about your goals and sensing that people need a softer approach**, which means you second-guess yourself more than usual. Over the coming weeks, this mismatch will push you to find a middle ground instead of forcing things one way or the other.

♃ Jupiter △ Trine ♇ natal Pluto

These days you find yourself **taking decisive action on things you've been planning for months**, and obstacles that usually block you seem to move out of the way. Your confidence in your own judgment is unusually high right now, so you trust your instincts about what needs to change in your life and you follow through. Over the coming weeks, this practical momentum can help you reshape a situation that's been stagnant or remove something that no longer serves you.

☾ Moon ♂ Conjunction ♁ natal Chiron

These days you are more aware of your own sensitivities and the ways you have learned to protect yourself emotionally. You may find yourself reflecting on past situations where you felt hurt or left out, and noticing how those experiences shaped the way you **relate to others now**. This temporary clarity can help you recognize patterns in your behaviour, though it may feel uncomfortable while you sit with these observations.

♃ Jupiter ∟ Semi sextile ☉ natal Sun

You feel a quiet boost to your confidence right now, making it easier to speak up in situations where you'd normally hold back. People respond well to you at the moment because you come across as genuinely interested and **naturally encouraging**, which opens social and professional doors. This support from *Jupiter* touching your *Sun* lasts a few weeks and works best when you actually say yes to invitations and new opportunities instead of waiting for the perfect moment.

☾ Moon * Sextile ♀ natal Venus

While this lasts, you find it easier to express affection and say what you actually appreciate about people in your life. Your **warmth comes across naturally**, and others respond well to you without you having to try hard. These days are good ones to reach out to someone you care about or do something kind that you have been putting off.

☉ Sun ∟ Semi sextile ☾ Moon

These days you find it easier to **act on what you actually feel** instead of second-guessing yourself. Your emotional reactions and your practical choices line up more naturally, so you waste less energy fighting your own instincts. This makes conversations smoother and decisions quicker because you're not pulling yourself in opposite directions.

☉ Sun ☾ Semi sextile ♀ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ☾ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

LUNAR DAY

Moon in ♋ Pisces · Day 28 / 30 · Waning Crescent

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
