## KEY TRANSIT FACTORS

### ♃ Jupiter \* Sextile ☉ natal Sun ★

These days you feel more **confident in yourself** and people around you seem to notice it too. You're more willing to take on new projects or speak up in situations where you'd normally hold back, and things tend to work out better than expected. This period is ideal for asking for what you want—whether that's at work, in relationships, or for a personal goal—because you're coming across as genuinely assured rather than pushy.

### ♂ Mars ☐ Square ♆ natal Neptune

Right now you're prone to **acting on half-baked ideas without checking the facts first**, which creates practical problems you have to clean up later. Your usual ability to read between the lines shuts down while *Mars* pushes you to move fast, so you push forward on projects that don't actually work the way you imagined. Over the coming weeks, frustration builds because your efforts feel scattered and your goals keep shifting, leaving you exhausted and wondering why nothing stuck.

### ☾ Moon ☉ Opposition ♀ natal Venus

Over the coming weeks, you feel **emotionally disconnected from the people you care about**, even when you are physically close to them. Your usual warmth and interest in others gets pulled inward, making you seem withdrawn or critical in social situations. This mismatch between what you normally feel and what you actually feel right now can create awkward moments in your relationships until this period passes.

### ☉ Sun △ Trine ☾ natal Moon

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

### ♀ Venus △ Trine ♂ natal Mars

These days you find it easier to ask for what you want without coming across as aggressive or demanding. Your **natural confidence** is backed by genuine warmth, so people respond well when you take initiative in social or romantic situations. Over the coming weeks, this combination of directness and charm works in your favor, making it simpler to move forward on practical goals while keeping relationships smooth.

### ☿ Mercury Rx · ♉ Taurus

Mental processes slow noticeably and a stubbornness in thinking makes it harder than usual to change your mind. These days you may return to financial decisions, possessions, or value-related questions that seemed settled. Take your time — the careful review you do now will save costly corrections later.

### ☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ♌ Semi sextile ♄ Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☾ Moon ♋ Opposition ♿ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

LUNAR DAY

Moon in ♏ Scorpio · Day 15 / 30 · Waxing Gibbous

**Psychological intensity rises** for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
