## KEY TRANSIT FACTORS

### ♄ Saturn ☐ Square ♃ natal Mercury ★

Right now your thinking feels slower and more careful than usual, and you may struggle to express yourself clearly to others. **You second-guess your words** before speaking, worry that what you say will be misunderstood, and find it harder to explain ideas that felt obvious before. These mental delays and doubts will pass once this transit moves on, but while it lasts you'll need to accept that communication takes more effort and patience.

### ♂ Mars ∟ Semi sextile ☾ natal Moon ★

These days you're finding it easier to act on what you actually feel instead of sitting with emotions until they build up. Your instinct to do something practical when you're upset or restless is working well for you right now. This **willingness to move forward emotionally** means small conflicts settle faster and you feel less stuck in your own moods.

### ♁ NNode \* Sextile ♃ natal Mercury ★

Over the coming weeks, you find it easier to say what you actually think instead of holding back. Your conversations feel more natural and people seem to listen better when you speak. This period supports **clearer communication**, especially about topics that matter to you, as *the North Node* smooths the way for *Mercury* to work at its best.

### ♃ Jupiter ☉ Opposition ♃ natal Mercury

Over the coming weeks, you are likely to **overstate your case and talk past people** instead of actually listening to what they think. Your confidence in your own opinions grows while your ability to hear other viewpoints shrinks, making conversations feel frustrating on both sides. This is a practical problem right now: you may make decisions based on incomplete information or damage working relationships by dismissing input you actually needed.

### ♇ Pluto ☐ Square ☾ natal Moon

You feel unusually disconnected from people you're close to, as if you cannot quite let them comfort you the way you normally would. Your **emotional walls go up automatically**, and you may withdraw or push away support even when you need it. Over the coming weeks, this psychological distance can strain your relationships unless you notice what is happening and make an effort to stay connected despite the discomfort.

### ☉ Sun ☉ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

### ☉ Sun ☉ Conjunction ♂ Mars

Right now you feel **more direct and willing to take action** on things you normally hesitate about. You're likely to speak up in conversations, push forward with a project, or make a decision you've been putting off. This practical confidence usually fades once the transit passes, so use it to handle what actually needs doing.

☉ Sun  $\angle$  Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

**LUNAR DAY**

Moon in ♍ Virgo · Day 26 / 30 · Last Quarter

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.

**CLOTHING & JEWELRY**

Tuesday · ♂ Mars · Venus in Taurus

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
