KEY TRANSIT FACTORS

♁ NNode * Sextile ☿ natal Mercury ★

Over the coming weeks, you find it easier to say what you actually think instead of holding back. Your conversations feel more natural and people seem to listen better when you speak. This period supports **clearer communication**, especially about topics that matter to you, as *the North Node* smooths the way for *Mercury* to work at its best.

☉ Sun □ Square ♂ natal Mars

Right now you're running into more friction than usual when you try to take action. People push back harder against your ideas, and you feel like you have to fight for things that normally come easily, which makes you **impatient and quick to argue**. These clashes aren't random — they're showing you where your confidence has gotten ahead of what you've actually prepared or thought through.

♄ Saturn ∟ Semi sextile ☾ natal Moon

Over the coming weeks, you'll find it easier to **organize your feelings into practical steps** rather than getting stuck in emotional loops. Your emotional needs start to align with what you can actually do in your daily life, so you feel less pulled in two directions. This is a good time to set small routines that genuinely comfort you, since your practical side and your emotional side are working together instead of against each other.

☿ Mercury * Sextile ♇ natal Pluto

Right now your mind is working at a level that lets you see through problems to what's actually driving them. You're able to ask better questions and listen more carefully to what people really mean, which makes conversations feel more honest and useful. This period is ideal for tackling complicated topics at work or sorting through decisions you've been sitting on, because your thinking is both clear and intuitive.

☿ Mercury qx Quincunx ☉ natal Sun

Over the coming weeks, you'll notice your usual way of explaining yourself doesn't quite land the way it normally does. You may find yourself **rewording things multiple times** or feeling like people are missing your point even when you think you're being clear. This awkward fit between what you're trying to say and how others receive it will likely frustrate you until the transit passes.

☉ Sun ☌ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ Sun □ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun \angle Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.
