## KEY TRANSIT FACTORS

### ♆ Neptune ☐ Square ♃ natal Mercury

Your thinking feels foggy right now, and you struggle to organize your thoughts into clear sentences or plans. You may say things you don't fully mean, misunderstand what others are telling you, or find yourself **second-guessing decisions** you would normally make quickly. Over the coming weeks, you will need to double-check important information and avoid signing contracts or making commitments until this confusion lifts.

### ♁ NNode △ Trine ♆ natal Neptune

While this lasts, you find it easier to **trust your instincts** about people and situations without needing to analyze everything. Your imagination becomes more practical during these weeks, letting you spot creative solutions in ordinary problems at work or home. You naturally connect with what others need from you emotionally, so your relationships feel less strained and your social interactions run smoother than usual.

### ♃ Mercury ☐ Quincunx ☾ natal Moon

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations**. Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

### ♇ Pluto △ Trine ♂ natal Mars

You're finding it easier right now to **push through obstacles without burning yourself out**, because your determination feels steadier and more controlled than usual. Tasks that normally drain you are moving forward with less internal resistance, and you can tell the difference between real effort and pointless struggle. Over these coming weeks, you'll probably notice you accomplish more while actually feeling less frustrated in the process.

### ♁ Chiron ☐ Square ♀ natal Venus

You may feel rejected or inadequate in your relationships right now, picking up on small slights and interpreting them as proof that you're not lovable. Your usual warmth and charm feel blocked, making it harder to ask for what you want or to enjoy physical affection without second-guessing yourself. Over the coming weeks, this discomfort pushes you to stop abandoning your own needs in order to keep people happy.

### ♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

♿ Mercury \* Sextile ♆ Neptune

These days your mind works better with intuition than usual, and you pick up on what people really mean even when they do not say it directly. **You listen more carefully and remember details others miss**, which helps you understand situations more fully. This is a good time to write, have meaningful conversations, or think through problems in a calm and creative way.

♀ Venus ☐ Square ♂ Mars

Right now *Venus* and *Mars* are in conflict, and you'll notice people becoming **irritable about their relationships and desires**. You might want something badly but feel frustrated that you can't have it, or clash with someone over what you both actually want from each other. This friction lasts a few days and usually pushes conversations that needed to happen anyway —but expect them to feel sharp and uncomfortable while they do.

LUNAR DAY

Moon in ♌ Leo · Day 8 / 30 · First Quarter

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Taurus

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
