KEY TRANSIT FACTORS

☾ Moon △ Trine ☿ natal Mercury ★

These days your **thoughts come through more naturally when you speak**, and people listen without interrupting you as much. Your mind feels less tangled, so you can explain what you actually mean instead of getting frustrated halfway through. This is a good window to have conversations you've been putting off, since you'll find the right words without forcing them.

☉ Sun □ Square ♇ Pluto ★

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

♄ Saturn qx Quincunx ♅ natal Uranus

Right now you feel caught between wanting to stick to your usual routines and an urge to break free from them, which creates an awkward tension in practical decisions. You might find yourself **hesitating before making changes** that normally feel automatic, or feeling frustrated when rules or limitations interfere with your independence. This period pushes you to figure out a middle ground, though it won't feel comfortable while you're looking for it.

♀ Venus ♂ Conjunction ☉ natal Sun

These days you feel more **likeable and relaxed in social situations**, and other people tend to respond warmly to you without much effort on your part. You probably care more about how you look and feel, and small gestures of affection or appreciation from others land differently than usual. This window lasts a few weeks, so it's a practical time to repair relationships that have felt cold or to ask for something you want.

♀ Venus □ Square ♇ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♇ Pluto △ Trine ☾ natal Moon

These days you find it easier to **act on what you actually feel** instead of hiding or dismissing your emotions. People around you notice you seem more direct and honest about what matters to you, and they tend to respond well to this straightforwardness. Over the coming weeks, situations that once felt emotionally stuck start to move forward because you're not holding back anymore.

☉ Sun □ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

› Moon * Sextile ♃ Neptune

These days you find it easier to notice what other people actually need instead of just hearing their words. Your **emotional radar works better**, so you pick up on sadness or worry someone is hiding, and you naturally want to help. This is a good time to listen more carefully or offer support without being asked, because people will feel genuinely seen by you.
