KEY TRANSIT FACTORS

☉ Sun ☐ Square ♇ natal Pluto ★

Right now you are **pushing hard against people or situations that feel controlling**, and this is likely to create real friction in your relationships and work. You may notice you are more irritable than usual, especially when someone challenges your authority or when you feel your independence is being threatened. Over the coming weeks, this friction will either force you to set clearer boundaries or lead you into unnecessary conflicts that exhaust you.

☿ Mercury ☐ Square ☾ natal Moon

Your thoughts and words are working against your emotional needs right now, so you feel frustrated when you try to explain how you actually feel. You say one thing but mean another, or you second-guess yourself mid-sentence, which makes people misunderstand you or dismiss what matters to you. Over the coming weeks, pay attention to the gap between what you think you should say and what you actually need—because **rushing to explain yourself** will only make the disconnect worse.

♃ Jupiter ☉ Opposition ♅ natal Uranus

Over the coming weeks, you're likely to feel **restless and impatient with rules or commitments that suddenly feel too tight**. You may make impulsive decisions about work, relationships, or finances that you'll regret once the initial excitement wears off. The practical cost of acting on every impulse right now is real, so slowing down before major changes will protect you from unnecessary damage.

♄ Saturn ☐ Square ♆ natal Neptune

Right now you are running into the practical limits of your plans, and it feels frustrating because you can't see exactly where things are breaking down. You become **more critical and doubtful** than usual, second-guessing decisions you made weeks ago and struggling to trust your own judgment. Over the coming weeks, this clash between *Saturn's* demand for clear results and *Neptune's* fog will force you to sort out what is actually possible from what you only hoped might work.

♀ Venus ∟ Semi sextile ♊ natal NNode

Over the coming weeks, you find it easier to say yes to social invitations and to spend time with people who genuinely matter to you, without overthinking whether you belong. You become **more relaxed about being yourself in groups**, and others respond to this by including you more naturally in their plans. This small shift creates more warmth in your relationships and makes it simpler to build connections that actually fit who you are.

♄ Saturn Rx · ♒ Aquarius

The structures supporting group goals, social commitments, and future-oriented plans are being honestly tested right now. Rules and systems that seemed useful may prove unnecessarily rigid under pressure. Distinguishing between structures worth preserving and those worth updating is the most useful work of this period.

☉ Sun ♂ Conjunction ♁ NNode

Right now you feel drawn toward activities and people that match who you actually are rather than who you think you should be. This creates a practical opportunity to make small choices that align better with your real interests and strengths. These days many people find themselves being more direct about what they want, which can clear the air in relationships and work situations.

☾ Moon ♉ Opposition ♿ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

☾ Moon ♉ Opposition ♀ Venus

At the moment, you feel disconnected from what usually makes you happy, and this can push you toward picking fights or withdrawing from people you care about. Your emotional needs and what others want from you are pulling in opposite directions, so small frustrations in relationships tend to blow up. This friction is real—use it to notice where you are actually unhappy rather than blaming the other person.
