KEY TRANSIT FACTORS

☉ Sun ☿ Quincunx ♆ Neptune ★

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

☉ Sun ☐ Square ♇ Pluto ★

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

♀ Venus ☍ Opposition ☉ natal Sun

Right now you are more critical of yourself and less comfortable being the centre of attention. You may notice you're **withdrawing from social situations** or feeling like you don't measure up to others around you. This period can feel isolating, but it's actually showing you where your confidence needs real work rather than external validation.

♀ Venus ☐ Square ♇ natal Pluto

Right now you may feel drawn into relationships or situations where you want more control than is realistic, and you become frustrated or resentful when you cannot have it. Your **need to dominate or possess** shows up in your romantic life and friendships, creating tension with people who sense your intensity. Over the coming weeks, this pattern will likely push others away unless you notice it and step back from trying to reshape them.

♄ Saturn △ Trine ♆ natal Neptune

Right now you are able to **turn your daydreams into actual plans** without losing the creative spark that usually gets lost in paperwork. Your intuition becomes practical instead of vague, so you can trust those gut feelings enough to act on them. Over the coming weeks, this is the time to start that project you have been imagining but never quite beginning.

♄ Saturn ∟ Semi sextile ♃ natal Jupiter

Over the coming weeks, you find it easier to **say no to things that don't matter**, which actually makes your bigger plans more likely to succeed. *Saturn* is helping you cut away distractions while *Jupiter* reminds you that the effort is worth it. You notice yourself feeling calmer about money and commitments because you're building something solid instead of spreading yourself thin.

☾ Moon ☐ Square ♀ natal Venus

Right now you feel emotionally out of step with the people closest to you, making it hard to enjoy their company or feel appreciated by them. You may pick fights over small things or withdraw when you normally would reach out, leaving relationships feeling **strained and disconnected**. These days your mood swings can make you seem ungrateful or cold, even when that is not what you intend.

♃ Jupiter Rx · ♊ Gemini

Learning and intellectual expansion turn inward during this period — ideas that felt promising when conceived now require honest evaluation. Information gathered quickly may benefit from slower, deeper processing. Connecting existing knowledge serves you better right now than gathering new material.

♄ Saturn Rx · ♋ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

☉ Sun qx Quincunx ♋ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.

LUNAR DAY

Moon in ♌ Leo · Day 24 / 30 · Last Quarter

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

CLOTHING & JEWELRY
