KEY DATE

☿ Mercury enters ♓ Pisces

Mercury in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

KEY TRANSIT FACTORS

♀ Venus ∟ Semi sextile ♃ natal Jupiter ★

While this lasts, you find it easier to say yes to small social invitations and feel genuinely interested in other people's stories. Your **natural warmth shows up more** in conversations, and you notice people respond better to you without you trying harder. This is a good time to strengthen friendships or spend money on experiences that bring you closer to the people you care about.

♇ Pluto qx Quincunx ♇ natal Pluto

You may notice that your usual way of handling power or control in a situation feels slightly off or requires adjustment. Over the coming weeks, you might find yourself **questioning strategies that normally work for you**, or feeling restless about decisions you thought were final. This awkward fit between your instinct and what the situation demands can actually push you toward a more practical solution if you stay patient with the discomfort.

☿ Mercury ☐ Opposition ♅ natal Uranus

Your thinking becomes unpredictable and scattered while *Mercury* opposes your natal *Uranus*, making it hard to follow through on plans or stick to what you said you'd do. You feel a **restless need to argue or change your mind** at the last moment, which frustrates the people counting on you. Over the coming weeks, expect to catch yourself contradicting yourself in conversations or suddenly rejecting ideas you were promoting days earlier.

♇ Pluto △ Trine ☉ natal Sun

Right now you feel **less afraid to make real changes** in your life, and people respond to this quiet confidence. You stop waiting for permission and start acting on decisions you've been sitting with for months. Over the coming weeks, you'll notice doors opening because you're finally moving forward instead of second-guessing yourself.

♀ Venus △ Trine ♆ natal Neptune

These days you find it easier to **connect with people on a softer level**, and they respond well to your gentleness. Your romantic life or close relationships feel more fluid right now, with less friction and more natural understanding between you and others. Over the coming weeks, your appreciation for beauty and comfort also tends to make everyday moments feel a bit more pleasant.

♂ Mars Rx · ♎ Libra

Asserting your needs in relationships feels harder than usual right now, and unresolved conflicts tend to resurface. Avoiding direct confrontation can build passive tension that eventually requires release. Honest conversations about what is and is not working in close partnerships are more useful now than they feel.

♃ Jupiter Rx · ♎ Libra

The growth of partnerships and social connections pauses for internal review during this period. Beliefs about fairness, collaboration, and what constitutes a good agreement are being quietly re-examined. Clarifying what you genuinely want from close relationships matters more right now than what seems reasonable on the surface.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

♀ Venus ♁ Quincunx ♂ Mars

These days you want something but feel awkward making it happen, so you might hesitate, then push too hard, then pull back again. Your desires and your actions are not in sync right now, which means **stop-start behaviour** in relationships and projects where you actually care about the outcome. The practical fix is to slow down and check in with yourself before you act, because rushing will just create unnecessary friction.
