KEY TRANSIT FACTORS

☿ Mercury ☾ Opposition ♅ natal Uranus

Your thinking becomes unpredictable and scattered while *Mercury* opposes your natal *Uranus*, making it hard to follow through on plans or stick to what you said you'd do. You feel a **restless need to argue or change your mind** at the last moment, which frustrates the people counting on you. Over the coming weeks, expect to catch yourself contradicting yourself in conversations or suddenly rejecting ideas you were promoting days earlier.

☿ Mercury ∟ Semi sextile ♊ natal NNode

These days you find it easier to **say what you actually mean** instead of holding back or overthinking your words. Your conversations with people tend to flow more naturally, and you pick up on what others really need to hear from you. This is a good time to share ideas you've been sitting on or to have those conversations you've been avoiding.

♄ Saturn □ Square ♀ natal Venus

Right now you feel **withdrawn and critical** about your relationships, noticing flaws that bother you more than usual. People may seem demanding or disappointing, and you're less interested in socializing or physical affection during this period. This temporary hardness comes from *Saturn* pressing on your *Venus*, making emotional closeness feel like work rather than pleasure.

♆ Neptune qx Quincunx ♆ natal Neptune

Over the coming weeks, you may notice that your usual ways of managing uncertainty or confusion feel slightly off or awkward. You might find yourself second-guessing decisions you would normally make without hesitation, or struggling to trust your instincts about situations that are unclear. This subtle misalignment between what you think you should do and what actually feels right will pass, but right now it asks you to slow down and check your assumptions more carefully than usual.

♅ Uranus ☾ Opposition ♀ natal Venus

Right now you feel **restless in your closest relationships** and may push away people you normally rely on. You want more freedom or something completely different from what your partner or friends expect, and this clash makes everything feel tense. Over the coming weeks, familiar patterns in how you connect with others will feel uncomfortable, and you might make sudden changes you later question.

♀ Venus Rx · ♏ Capricorn

Commitments made out of practicality rather than genuine connection are being quietly examined right now. Relationships with authority figures, professional partnerships, or long-term romantic arrangements may feel more burdensome than rewarding. This is a useful period for honest assessment — not for ending things prematurely.

☉ Sun ∟ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun □ Square ♄ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.

LUNAR DAY

Moon in ♍ Virgo · Day 21 / 30 · Waning Gibbous

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.

CLOTHING & JEWELRY
