KEY TRANSIT FACTORS

☉ Sun ☾ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♁ Uranus ★

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

♊ NNode * Sextile ♊ natal NNode

Over the coming weeks, you find it easier to **say yes to opportunities that align with what you actually want**, without overthinking or second-guessing yourself. People around you seem more willing to support your decisions, and doors open with less resistance than usual. This is a practical time to move forward on plans you've been considering, because your timing feels genuinely right.

☾ Moon ☒ Quincunx ☉ natal Sun

Right now your mood and your sense of purpose are out of sync, so you feel restless even when things are going well. You might **second-guess decisions you normally feel confident about**, or find yourself irritable with people who don't understand what you need. These feelings will pass in a week or two, but until then you'll work better if you accept the discomfort rather than trying to fix it.

♊ NNode ☐ Square ♁ natal Uranus

Right now you're caught between wanting to break free and feeling pulled toward fitting in with a group or community, which creates real friction in your social life. You might find yourself saying yes to commitments you don't actually want, then suddenly rejecting them or picking fights over small things. Over the coming weeks, this restlessness will push you to examine which relationships or groups are genuinely yours and which ones you've stayed in out of habit or obligation.

♆ Neptune ☐ Square ♂ natal Mars

Right now your usual drive and confidence feel blurred, making it hard to know what you actually want versus what you think you should do. You may **start projects you abandon halfway through, or lose the will to push forward on things that normally matter to you**. This fog around your own direction lasts a few weeks and can leave you frustrated with yourself for lacking the usual clarity.

♀ Venus □ Square ♃ natal Mercury

Right now you're caught between what you want to say and what feels socially comfortable, so conversations come out muddled or you second-guess yourself constantly. Your **words don't match your real feelings**, which creates awkward moments where people don't understand your actual position. Over the coming weeks, you'll need to slow down and think before speaking, because the gap between your thoughts and your charm is wider than usual.

☉ Sun ∟ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

LUNAR DAY

Moon in ♋ Pisces · Day 2 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
