## KEY TRANSIT FACTORS

### ♃ Jupiter ☐ Square ♋ natal NNode ★

Over the coming weeks, you may feel pulled to take on more than you can reasonably handle, which can frustrate your actual sense of direction. Your **confidence outpaces your judgment**, making you say yes to opportunities that don't fit your real priorities or skills. This misalignment between what you think you should do and what actually works for you creates unnecessary setbacks and wasted effort.

### ♂ Mars \* Sextile ♃ natal Jupiter

You feel **more willing to take action on plans you've been thinking about**, and your confidence in your own judgment is higher than usual. Your efforts tend to pay off more easily during this period, and people around you respond well to your directness and enthusiasm. This is a practical time to push forward with work goals or personal projects that need momentum.

### ♃ Jupiter △ Trine ♄ natal Uranus

Over the coming weeks, you'll find yourself more willing to take practical risks and try new approaches without the usual anxiety holding you back. Your mind works faster than normal, and you spot solutions others miss because you're not stuck in old habits. This is a good time to pitch ideas at work, start something you've been putting off, or reorganize your life in ways that actually feel liberating instead of chaotic.

### ♋ NNode \* Sextile ☉ natal Sun

Over the coming weeks, you find it easier to **say yes to opportunities that actually fit who you are**. People seem to notice your confidence and invite you into situations where you can be yourself without pretending. This is a practical window to take on roles or projects that match your actual strengths rather than what you think you should be doing.

### ♄ Uranus △ Trine ♆ natal Neptune

You're finding it easier right now to **turn your creative ideas into something real**, whether that's art, writing, or a practical project you've been imagining. Your intuition is sharper about what actually works, so you can spot the useful parts of your daydreams and leave the rest behind. Over the coming weeks, you'll notice you're less stuck between fantasy and reality, and more able to build something meaningful from both.

### ☉ Sun ∟ Semi sextile ♃ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

### ☉ Sun \* Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

### ☉ Sun △ Trine ♆ Neptune

These days you feel **more comfortable being yourself around others** without needing to explain or defend who you are. People respond better to you right now because you're relaxed enough to listen to what they actually need instead of pushing your own agenda. This period favors creative work, gentle conversations, and situations where you can help someone without it costing you anything.

## LUNAR DAY

Moon in ♌ Leo · Day 2 / 30 · New Moon

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

## CLOTHING & JEWELRY

Wednesday · ♀ Mercury · Venus in Scorpio

Wednesday answers to Mercury — bright yellow, amber, or golden tones sharpen the mind. Tiger's eye as a bracelet or pocket stone supports communication and mental clarity.
