KEY TRANSIT FACTORS

♇ Pluto ☐ Square ♃ natal Jupiter ★

Over the coming weeks, you're likely to feel blocked whenever you try to expand or move forward on something important to you. Your **impatience with limits** grows as obstacles appear exactly when you thought progress was guaranteed, making you push harder against resistance instead of stepping back. This period tests whether you can accept that some things need to shrink or transform rather than simply get bigger.

☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

♁ NNode * Sextile ♀ natal Venus

You find it easier right now to connect with people in genuine ways and speak up about what matters to you socially. Your **natural warmth and openness come across more clearly**, and others respond positively to this shift in how you show up. Over the coming weeks, this period supports making new friendships or deepening existing relationships without the usual awkwardness or second-guessing.

♆ Neptune △ Trine ♇ natal Pluto

You're finding it easier to let go of situations that no longer serve you without drama or resistance right now. Your practical instincts are sharper about which changes are worth making and which problems will solve themselves if you stop pushing. *Neptune* trine *Pluto* gives you a **calm acceptance of transformation** that makes difficult decisions feel less like crises and more like natural course corrections.

☉ Sun ☍ Opposition ♀ natal Venus

Right now you are more critical of the people close to you and harder to please in your relationships. You might push away someone who genuinely cares about you because you're noticing all their flaws instead of their good qualities. This **temporary harshness** in how you judge others can create distance that takes real effort to repair once this period passes.

☾ Moon ☐ Square ☾ natal Moon

Right now your **moods are harder to predict and manage**, making it difficult to know what you'll feel from one hour to the next. People close to you may seem off or demanding in ways that irritate you more than usual, and you might find yourself defensive instead of open. Over the coming weeks, this restless feeling will push you to notice what you actually need emotionally, even if the process feels uncomfortable.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun * Sextile ♅ Uranus

These days you feel more willing to try something different without the usual fear holding you back. You might suggest a new idea at work, change your routine, or say no to something that no longer fits. This **relaxed openness to change** makes it easier to break old patterns while still feeling grounded enough to actually follow through.

LUNAR DAY

Moon in ♓ Pisces · Day 24 / 30 · Last Quarter

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.
