KEY TRANSIT FACTORS

♇ Pluto ☐ Square ♃ natal Jupiter ★

Over the coming weeks, you're likely to feel blocked whenever you try to expand or move forward on something important to you. Your **impatience with limits** grows as obstacles appear exactly when you thought progress was guaranteed, making you push harder against resistance instead of stepping back. This period tests whether you can accept that some things need to shrink or transform rather than simply get bigger.

♅ Uranus ☐ Square ♄ natal Saturn ★

You feel a strong urge to break free from rules and structures you have relied on, even though loosening them creates real practical problems. **You become impatient with anything that feels restrictive**, whether it's a job routine, a commitment, or a financial plan you built carefully. Over the coming weeks, this friction between your need for stability and your need for change will push you to make decisions you have not fully thought through, and you will likely feel the consequences in your responsibilities or reputation.

♅ Uranus q̄x Quincunx ♊ natal NNode ★

Right now you are noticing that your usual routines and comfort zones feel slightly off, and you keep getting small urges to try something different even though you are not sure why. You might find yourself questioning choices that normally feel safe to you, or feeling restless in social groups and communities where you usually fit in well. Over the coming weeks, this friction between what feels familiar and what feels new will push you to make small practical adjustments rather than big changes.

♊ NNode ☐ Square ♃ natal Jupiter ★

Right now you are **overcommitting to things that seem important but don't actually fit your life**. You feel pulled toward opportunities, promises, and plans that look good on paper but create practical conflicts when you try to follow through. Over the coming weeks, you will hit real consequences from saying yes too much, and you'll have to make uncomfortable choices about what actually matters.

♅ Uranus ☐ Square ☉ natal Sun ★

Right now you feel restless with routines and rules that normally keep you stable, and you may act on impulses that surprise people who know you well. **You push back against limits** in ways that feel necessary to you but create real friction in your work or relationships. Over the coming weeks this sense of needing to break free will likely intensify before it settles, so expect some temporary disruption as you figure out what actually needs to change.

☾ Moon q̄x Quincunx ♀ Venus

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.

› Moon ☐ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

› Moon ☐ Square ♄ Saturn

At the moment, you feel **disconnected from people around you**, even when you are with them. Your emotional needs seem to clash with what is practical or realistic, leaving you frustrated. *Moon* square *Saturn* makes you withdraw when you actually need support most.

LUNAR DAY

Moon in ♏ Scorpio · Day 9 / 30 · First Quarter

Psychological intensity rises for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.

CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Scorpio

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
