KEY TRANSIT FACTORS

♇ Pluto * Sextile ☿ natal Mercury · peak 31 Jul *

Your thinking becomes **sharper and more penetrating** while *Pluto* supports your *Mercury* right now. You naturally spot patterns others miss and can ask the questions that get to the real issue in conversations or problems. This clarity lasts for weeks and helps you communicate about difficult topics with unusual directness and honesty.

♄ Chiron ∠ Semi sextile ♄ natal Chiron · peak 29 Jul

You find yourself more willing to talk about things that normally feel difficult or private, and people respond better than you expected. This period brings a quieter kind of confidence where you stop pretending everything is fine and actually **admit what you struggle with**. Small conversations about real problems start to shift how you feel about yourself and what you thought you had to hide.

♄ Saturn □ Square ♀ natal Venus · peak 13 Jul

Right now you feel **withdrawn and critical** about your relationships, noticing flaws that bother you more than usual. People may seem demanding or disappointing, and you're less interested in socializing or physical affection during this period. This temporary hardness comes from *Saturn* pressing on your *Venus*, making emotional closeness feel like work rather than pleasure.

♄ Saturn * Sextile ☉ natal Sun · peak 31 Jul

Right now you find it easier to stick with what you commit to, and people notice your reliability. You're not rushing to prove yourself or grab attention—you're simply doing the work, and that **steady focus** gains real respect. Over the coming weeks, this is a good time to tackle something practical that requires patience and follow-through.

♆ Neptune ♂ Conjunction ♁ natal NNode · peak 31 Jul

These days you find yourself **drawn to people and situations that feel meaningful without quite knowing why**. Your usual sense of direction gets softer, and you may second-guess choices you normally feel clear about. Over the coming weeks, pay attention to what actually pulls your interest—this is real information, even if it doesn't make logical sense right now.

♅ Uranus qx Quincunx ☉ natal Sun · peak 31 Jul

These days you feel out of step with your usual routine, even though nothing obvious has changed. Your instinct is to **shake things up or rebel against your normal habits**, but the timing feels awkward and you are not sure what you actually want to do differently. Over the coming weeks, this restless feeling will likely push you to make small adjustments to how you work or present yourself, rather than the dramatic overhaul your mind keeps suggesting.

♆ Neptune qx Quincunx ♅ natal Uranus · peak 31 Jul

Over the coming weeks, you find yourself **second-guessing decisions you normally make without hesitation**, especially about independence or unconventional plans. Your instinct to break free from routine is still there, but doubt keeps creeping in about whether the timing or approach actually makes sense. This confusion fades once the transit passes and your clearer judgment returns.

♆ Neptune ☐ Square ♃ natal Jupiter · peak 1 Jul

Right now you are **overestimating what you can achieve** and making commitments based on wishful thinking instead of realistic assessment. Your usual confidence in your plans is being clouded by *Neptune*, so promises you make or goals you set are likely to fall apart once you try to execute them. Over the coming weeks, expect practical disappointment and the need to scale back or rebuild what you've rashly agreed to.

♆ Neptune △ Trine ♄ natal Saturn · peak 31 Jul

Right now you find it easier to stick with practical plans without getting frustrated by delays or setbacks. **You stay calm under pressure** and actually follow through on responsibilities that usually feel like a burden. This period gives you a real chance to build something solid, whether that's finishing a project, organizing your life, or keeping commitments you normally struggle to maintain.

♁ NNode ☐ Square ♂ natal Mars · peak 31 Jul

Right now you're running into **obstacles when you try to take direct action**, especially on goals that matter to you personally. People around you seem to resist or block what you're pushing for, which makes you frustrated and impatient. Over the coming weeks, you'll need to slow down and reconsider your approach instead of just charging ahead like you normally do.

♇ Pluto ♂ Conjunction ♂ natal Mars · peak 1 Jul

You feel a sharp increase in your need to control situations and push your agenda forward, making you more confrontational than usual. At the moment, you're likely to act on frustrations you've been sitting with, and small disagreements can escalate quickly because you're not filtering your reactions. **This directness and intensity** can clear the air or damage relationships, depending on whether you're channeling it into practical problems or just venting anger.

♇ Pluto △ Trine ♇ natal Pluto · peak 31 Jul

You feel more **willing to let go of things that no longer serve you**, whether that's old habits, relationships, or ways of thinking that have held you back. This shift happens naturally rather than through force, and you find yourself making practical changes without the usual resistance or drama. Over the coming weeks, you'll notice you have clearer sight of what actually needs to change in your life and the patience to follow through.

♆ Neptune △ Trine ♆ natal Neptune · peak 1 Jul

Your intuition about other people becomes unusually reliable right now, and you find yourself understanding what others need without them having to explain it. You're also more comfortable sitting with uncertainty in practical situations instead of rushing to solve everything immediately. These small shifts make your relationships feel easier and give you permission to trust your gut more than usual.

♃ Jupiter ♂ Conjunction ♀ natal Venus · peak 31 Jul

Over the coming weeks, you're more **generous with your time and attention**, and people respond by wanting to be around you more often. You feel less critical of yourself and others, which makes social situations feel easier and less exhausting. This is a practical window to deepen relationships or make a good impression, since you're naturally more likeable right now.

♃ Jupiter * Sextile ♄ natal Chiron · peak 6 Jul

Over the coming weeks, you find it easier to talk about your past difficulties without getting stuck in them. When something painful comes up, you can **acknowledge it and move forward** rather than dwelling on old hurts. This practical shift makes your conversations with friends or a therapist more productive, and you actually feel lighter afterwards.

♃ Jupiter Rx · ♏ Scorpio

Expansion in areas involving depth, transformation, and shared resources pauses for honest reassessment right now. Past investments — financial, emotional, or psychological — return to attention and require evaluation. Research and deeper understanding serve you better during this period than new initiatives.

KEY DATES

Sat, 1 Jul ♃ Neptune ☐ Square ♃ natal Jupiter

Wed, 5 Jul ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Thu, 6 Jul ♃ Jupiter stations Direct

Jupiter turning **direct again** means opportunities and decisions that felt stuck or unclear over the past months can finally move ahead with real momentum. What becomes **clearer now** is whether plans, applications, or deals are actually going to work — delays lift and you get actual answers instead of waiting. **Growth starts moving** in the areas where *Jupiter* sits in your chart, so watch for openings in money, work, relationships, or learning that were on pause during the retrograde.

Mon, 10 Jul Full Moon in Capricorn

Tue, 11 Jul ☿ Mercury enters ♋ Cancer

Mercury entering *Cancer* makes people **slower to speak** and more careful about what they say, especially when emotions are involved. In conversations at work or home, you'll notice folks **asking more questions** before jumping to conclusions, and they tend to remember details from past talks that seemed unimportant before. **Written communication** becomes warmer but wordier during this time, so emails and texts often include more personal touches or take longer to compose.

Thu, 13 Jul ♄ Saturn ☐ Square ♀ natal Venus

Wed, 19 Jul ♀ Venus enters ♋ Cancer

Venus in *Cancer* makes people **more careful about who they let close**, and they often notice themselves wanting **deeper emotional connection** instead of surface-level interaction. In relationships and work, this shows up as spending more time with people who feel **safe and familiar**, while casual friendships might feel less interesting. Most people find themselves **expressing care through practical actions** — cooking, checking in, remembering details — rather than grand gestures or words.

Sun, 23 Jul ☉ Sun enters ♌ Leo

♂ Mars enters ♍ Virgo

♃ Neptune ♂ Conjunction ♏ natal NNode

♄ Saturn * Sextile ☉ natal Sun

The Sun entering Leo brings a **shift toward more direct self-expression** — people tend to speak up more at work, take on visible roles, and want their efforts noticed rather than working quietly behind the scenes. In relationships and social settings, **confidence and attention-seeking increase**, which can mean more fun and boldness but also more friction if someone feels overshadowed or ignored. Over the next month, most people find themselves **more willing to take charge**, pursue what they actually want, and care less about blending in.

Tue, 25 Jul New Moon in Leo

Sat, 29 Jul ☿ Mercury stations Direct

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over

the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.
