KEY TRANSIT FACTORS

♄ Saturn ☿ Quincunx ♆ natal Neptune

Right now you're noticing the gap between what you imagine and what actually works in practice. You feel caught between wanting to escape reality and knowing you have real responsibilities that need attention. This uncomfortable mismatch forces you to make small adjustments to your plans, even if it feels frustrating at the moment.

♁ Chiron * Sextile ♇ natal Pluto

You're finding it easier right now to **talk honestly about what's been holding you back**, and people are actually listening instead of getting defensive. This period is giving you a window to work through old patterns without the usual shame or resistance getting in your way. Over the coming weeks, you might notice yourself making real changes in how you handle power struggles or difficult relationships because you can see what's happening without beating yourself up about it.

♄ Saturn ☐ Square ☾ natal Moon

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

♁ NNode ∟ Semi sextile ♄ natal Saturn

Over the coming weeks, you find it easier to **follow through on commitments** without feeling weighed down by them. Your practical instincts are working well with your sense of direction, so you can make real progress on goals that matter. This is a good time to take on responsibility because you actually feel capable of handling it.

♆ Neptune ♂ Conjunction ♀ natal Venus

Right now you are **less clear about what you actually want from relationships and attraction**, because *Neptune* is softening the boundaries around your *Venus*. You might find yourself drawn to people or situations that don't match your real values, or you overlook red flags because everything feels romantic and possible. Over the coming weeks, check your choices against what you knew about yourself before this transit started.

☉ Sun ☐ Square ♁ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

☾ Moon ♂ Opposition ♀ Venus

At the moment, you feel disconnected from what usually makes you happy, and this can push you toward picking fights or withdrawing from people you care about. Your emotional needs and what others want from you are pulling in opposite directions, so small frustrations in relationships tend to blow up. This friction is real—use it to notice where you are actually unhappy rather than blaming the other person.

› Moon ☾ Quincunx ♃ Jupiter

These days your feelings and your practical plans don't quite line up, so you end up second-guessing yourself more than usual. You might feel **restless or dissatisfied** even when things are going reasonably well, because part of you wants something bigger while another part knows the timing isn't right. This mismatch between what you want emotionally and what you can actually do creates an awkward pressure that pushes you to make small adjustments rather than major moves.

LUNAR DAY

Moon in ♎ Libra · Day 14 / 30 · Waxing Gibbous

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.

CLOTHING & JEWELRY

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
