## KEY TRANSIT FACTORS

### ♂ Mars ☐ Square ♁ natal Chiron ★

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

### ♇ Pluto ∟ Semi sextile ♁ natal Uranus ★

These days you're picking up on small ways you could shake up your routines without upending your whole life, and you're **moving on these ideas gently instead of fighting yourself**. A shift you've been resisting for months suddenly feels possible because you see how to do it step by step rather than all at once. Over the coming weeks, you'll likely surprise yourself with how much you can actually change when you stop waiting for permission.

### ☿ Mercury \* Sextile ☾ natal Moon

Over the coming weeks, you find it much easier to **say what you actually mean without overthinking it**. Your conversations flow naturally and people respond well because you're expressing yourself clearly and with genuine warmth. This is a practical window to have important talks or sort out misunderstandings that have been sitting with you.

### ♀ Venus \* Sextile ♆ natal Neptune

You find it easier to be **gentle and accepting** with people right now, even when they disappoint you. Your *Venus* sextile to your *Neptune* makes you more forgiving and less likely to hold grudges over small slights. This softness in how you treat others tends to make your relationships feel safer and more connected over the coming weeks.

### ♆ Neptune ♂ Conjunction ♀ natal Venus

Right now you are **less clear about what you actually want from relationships and attraction**, because *Neptune* is softening the boundaries around your *Venus*. You might find yourself drawn to people or situations that don't match your real values, or you overlook red flags because everything feels romantic and possible. Over the coming weeks, check your choices against what you knew about yourself before this transit started.

### ♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

### ☉ Sun ☿ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☐ Square ♃ Neptune

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.

CLOTHING & JEWELRY

Monday · ☾ Moon · Venus in ♒ Aquarius
