KEY TRANSIT FACTORS

♄ Saturn * Sextile ♃ natal Jupiter *

Right now you are more **willing to follow through on plans instead of abandoning them halfway**. The combination of *Saturn* and *Jupiter* means you can see the practical steps needed to make your bigger ambitions real, and you have the patience to stick with them. This is a good time to commit to something you have been thinking about for a while, because your confidence in the outcome is realistic rather than wishful.

♂ Mars qx Quincunx ♇ natal Pluto

You feel a disconnect between what you want to do and what actually works, making it hard to push forward on projects or goals. Your usual drive feels misaligned with deeper patterns in your life, so **you keep starting things only to realize they need reworking**. Over the coming weeks, the practical fix is to slow down and check whether your current direction matches what you actually want long-term.

♊ NNode qx Quincunx ♊ natal NNode

Over the coming weeks you notice a disconnect between what you think you should be doing and what actually feels right to you. Your **usual sense of direction becomes unclear**, and small decisions that normally feel straightforward now require more thought. This awkward mismatch between your plans and your instincts will settle once this period passes.

♀ Venus Δ Trine ♁ natal Chiron

You find it easier to talk about things that usually hurt, and people actually listen without judgment. Your **openness about past disappointments** feels safe right now, and you notice others responding with real compassion instead of awkwardness. This period gives you a chance to connect with people over shared struggles in a way that strengthens your relationships.

♇ Pluto ♂ Opposition ♃ natal Jupiter

Right now you're running into hard limits on things you thought were expandable or unlimited, and it's forcing you to reckon with what's actually realistic. You're likely **pushing back against boundaries** — whether they're financial, physical, or relational — only to discover they won't budge, which can feel frustrating or even humiliating. Over the coming weeks, what you think you can accomplish or acquire will shrink in your own eyes, and while that's uncomfortable, it's also the only way you'll build something that actually holds.

♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

☉ Sun ∟ Semi sextile ♄ Saturn

These days you find it easier to stick with practical commitments without feeling weighed down by them. **You can be disciplined and follow through** on plans while still enjoying the process instead of resenting it. The light touch between *Sun* and *Saturn* means your natural confidence supports your ability to work steadily toward real goals.

☉ Sun ☿ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

☉ Sun ☿ Quincunx ♇ Pluto

Right now you might feel **out of step with your own needs**, as if what you want and what's actually happening don't quite match up. You notice yourself making small adjustments to stay in control of a situation, only to realize those tweaks aren't really working. This mismatch between your intentions and real results can leave you feeling frustrated until you accept that some things need to shift more completely than you planned.

LUNAR DAY

Moon in ♍ Virgo · Day 4 / 30 · Waxing Crescent

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
