KEY TRANSIT FACTORS

♄ Saturn ☌ Conjunction ♇ natal Pluto

You are experiencing a sharp drop in your ability to ignore what is not working in your life, and you feel **compelled to confront things you usually avoid**. This period brings a practical clarity about where you have given away your power or stayed stuck out of habit. Over the coming weeks, you may make serious decisions about cutting ties, changing direction, or stopping behaviour that no longer serves you.

♅ Uranus ☐ Square ♃ natal Jupiter

Right now you are restless with your current plans and want to scrap them for something completely different, even when things are working reasonably well. You feel **impatient with limits** and may make sudden decisions about money, education, or travel that you have not fully thought through. Over the coming weeks, impulsive moves could create real practical problems that take time to fix.

♃ Jupiter ☐ Square ♃ natal Jupiter

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

♇ Pluto ∟ Semi sextile ☉ natal Sun

You're finding it easier to make quiet changes in how you present yourself to others without needing to overhaul everything at once. **Small shifts in your confidence** are happening naturally—you might speak up more in meetings or adjust how you spend your time in ways that feel right. These practical adjustments are laying groundwork for bigger things, and you're doing it at a pace that doesn't exhaust you.

♆ Neptune △ Trine ♃ natal Jupiter

You're naturally more **optimistic about what's possible** right now, and people pick up on this openness. Your thinking tends toward the generous side, making you quicker to give someone a second chance or believe in a plan that seemed risky before. Over the coming weeks, this shift can help you connect with others more easily or move forward on something you've been hesitant about.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

› Moon ♄ Conjunction ♇ Pluto

Right now you are more aware of what you actually feel underneath the surface, and you may find yourself **bringing buried emotions into conversations** without planning to. People around you are doing the same thing, which means the social atmosphere tends toward intensity and honesty instead of small talk. This period asks you to notice what you have been avoiding emotionally and to accept that some feelings need to come out.

› Moon * Sextile ♄ Chiron

Right now you are more willing to talk about things that usually stay hidden, and people around you sense this openness. Your emotional honesty creates **permission for others to be honest too**, and conversations that have been stuck for months suddenly move forward. This is a good window for having difficult talks with people you trust, because you can speak about real hurt without turning it into blame.

LUNAR DAY

Moon in ♑ Capricorn · Day 29 / 30 · Waning Crescent

Focus narrows toward responsibilities and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

CLOTHING & JEWELRY

Monday · › Moon · Venus in Aquarius

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
