KEY TRANSIT FACTORS

♊ NNode △ Trine ☉ natal Sun ★

Right now you find it easier to **say what you actually want** instead of staying quiet or going along with others. People around you respond well to your directness because it comes across as honest rather than aggressive. Over the coming weeks, you might notice doors opening simply because you stopped hiding what matters to you.

♀ Venus △ Trine ♆ natal Neptune

These days you find it easier to **connect with people on a softer level**, and they respond well to your gentleness. Your romantic life or close relationships feel more fluid right now, with less friction and more natural understanding between you and others. Over the coming weeks, your appreciation for beauty and comfort also tends to make everyday moments feel a bit more pleasant.

♊ NNode ☿ Quincunx ♁ natal Chiron

Over the coming weeks, you may notice that **old insecurities are surfacing in new situations**, especially when you are trying something unfamiliar. You feel aware of your weak spots but also slightly out of sync with how to address them. This mismatch between knowing what bothers you and knowing how to move forward can make practical decisions feel awkward or indirect.

♄ Saturn △ Trine ♂ natal Mars

Right now you're able to **push toward your goals without burning out**, because you have patience alongside your drive. You naturally pace yourself better than usual, finishing projects instead of starting ten new ones. Over the coming weeks, people notice you're reliable and steady, which builds real respect at work and in your personal life.

♀ Venus ☿ Conjunction ☾ natal Moon

These days you feel more **relaxed and affectionate** than usual, and people around you notice it too. You are more likely to reach out to friends and family, enjoy physical comfort, and feel satisfied with things that normally frustrate you. This shift lasts only a few weeks, so small gestures of warmth or time spent with people you care about will feel especially rewarding right now.

☿ Mercury Rx · ♎ Libra

Relationship negotiations, contracts, and pending decisions become tangled right now. You may revisit agreements or feel pressure to reconsider commitments you thought were settled. Avoid finalizing important partnerships or legal matters until Mercury stations direct — clarifying existing arrangements is more productive.

☉ Sun ∟ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun * Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

☉ Sun ☿ Conjunction ♃ NNode

Right now you feel drawn toward activities and people that match who you actually are rather than who you think you should be. This creates a practical opportunity to make small choices that align better with your real interests and strengths. These days many people find themselves being more direct about what they want, which can clear the air in relationships and work situations.

LUNAR DAY

Moon in ♐ Sagittarius · Day 6 / 30 · Waxing Crescent

Restlessness with routine increases during this transit, and the desire to break out of familiar patterns grows. Opinions get expressed more freely and with less filtering for the next day or two.

CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Aquarius

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
