## KEY TRANSIT FACTORS

### ☿ Mercury \* Sextile ☽ natal Uranus ★

Your mind is working faster than usual right now, and you naturally spot connections others miss. You find it easier to explain unusual ideas clearly, and people actually listen instead of dismissing you as too different. This is a good window to **pitch new concepts at work, write up those unconventional plans, or have honest conversations about how you want to change things.**

### ☿ Mercury ☐ Square ♁ natal Pluto ★

Right now your conversations tend to become intense and you dig into uncomfortable truths that others would rather leave alone. You feel compelled to **expose hidden motives and hidden problems**, which makes people defensive or angry with you. Over the coming weeks, this blunt way of communicating will cost you socially unless you learn to hold back what you think.

### ☉ Sun △ Trine ♁ natal NNode ★

Right now you find yourself **naturally drawn toward conversations and situations that feel aligned with who you are.** People respond to your straightforward confidence, and opportunities seem to show up with less effort on your part. Over the coming weeks, trust what feels genuinely right instead of second-guessing yourself.

### ☿ Mercury ∟ Semi sextile ♆ natal Neptune ★

Right now your mind is picking up on things you normally miss, and you're finding it easier to **connect the dots between different ideas.** Your conversations have a natural flow to them these days because *Mercury* and *Neptune* are working together to make your words feel intuitive and gentle. Over the coming weeks this can help you explain complicated feelings or understand what someone else really means beneath what they're saying.

### ☿ Mercury qx Quincunx ☾ natal Moon ★

Right now your thoughts and your feelings are working at cross purposes, so you say one thing while sensing something different underneath. You might find yourself explaining yourself repeatedly to people because your words do not quite match what you actually feel, creating **awkward misunderstandings in conversations.** Over the coming weeks, paying attention to this gap between what you think and what you feel will help you communicate more clearly.

### ♃ Jupiter Rx · ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

### ☉ Sun ∟ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun \* Sextile ♄ Saturn

Right now you find it easier to follow through on what you say you'll do, and people notice you're more reliable than usual. Your practical judgement is sharp, so **you can see what actually needs to happen** instead of getting distracted by what sounds exciting. This is the kind of period where effort pays off directly, so if you've been putting something off, the conditions are there to make real progress without burning yourself out.

LUNAR DAY

Moon in ♎ Libra · Day 21 / 30 · Waning Gibbous

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.

CLOTHING & JEWELRY
