KEY TRANSIT FACTORS

♀ Venus ☌ Conjunction ☉ natal Sun ★

These days you feel more **likeable and relaxed in social situations**, and other people tend to respond warmly to you without much effort on your part. You probably care more about how you look and feel, and small gestures of affection or appreciation from others land differently than usual. This window lasts a few weeks, so it's a practical time to repair relationships that have felt cold or to ask for something you want.

♇ Pluto ☐ Square ♇ natal Pluto

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

☾ Moon ☌ Opposition ☉ natal Sun

Right now you feel **pulled in opposite directions between what you want and what others need from you**. Your usual confidence takes a dip, and you second-guess decisions you would normally make without hesitation. These tensions with people around you are real—they're reflecting back something about what you're not giving yourself permission to want.

☉ Sun ★ Sextile ♁ natal Chiron

These days you find it easier to talk about your past difficulties without getting stuck in them or feeling ashamed. You're **more willing to help others with their problems** because you can see how your own hard experiences actually taught you something useful. This period brings a practical confidence that lets you turn what once hurt you into real advice people actually want to hear.

♆ Neptune qx Quincunx ♁ natal NNode

Over the coming weeks, you may find it harder to stick to your usual social routines and feel less sure about which people or groups really matter to you. Your sense of direction in friendships becomes **less clear and more fluid**, making it difficult to commit to plans or decide where you genuinely belong. This is a good time to notice which connections feel off or forced rather than act on those feelings right away.

♃ Jupiter Rx · ♍ Virgo

The expansion of practical systems, health routines, and work habits slows during this period in ways that demand honest assessment. Growth that has been accumulating may need to be reviewed for sustainability. Quality over quantity in your work and health practices rewards you more right now.

☉ Sun ☿ Quincunx ☾ Moon

At the moment, your **emotional needs and practical goals are pulling in different directions**, and this creates a low-level discomfort that's hard to name. You might feel restless or slightly out of sync—your body wants one thing while your mind is focused on something else entirely. This isn't a crisis, but it does mean you'll need to make small adjustments throughout the day to feel more settled.

☉ Sun ☿ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☾ Moon ☿ Opposition ☿ Mercury

Right now your feelings and your thoughts are pulling in different directions, which makes it hard to say what you actually mean. You might feel upset about something but explain it in a way that sounds cold or defensive, so people don't understand what's really bothering you. This mismatch between what you feel and what you say creates **confusion in conversations**, and you'll likely need to circle back later to clear things up.

LUNAR DAY

Moon in ♌ Leo · Day 13 / 30 · Waxing Gibbous

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
