KEY TRANSIT FACTORS

♂ Mars ☍ Opposition ☉ natal Sun ★

Right now you're running into more resistance than usual, especially from people who see things differently than you do. You might feel **frustrated that others are blocking your plans** or disagreeing with your choices, even when you feel certain you're right. This friction won't last, but these weeks are asking you to slow down and pick your battles instead of pushing forward on every front.

♆ Neptune ∟ Semi sextile ♁ natal Chiron

These days you find yourself **more willing to accept your own limitations** without turning them into harsh self-judgment. When something doesn't go smoothly, you notice you're gentler with yourself instead of dwelling on what went wrong. This shift in attitude makes it easier to move forward and try again without the usual weight of disappointment.

☾ Moon ☌ Conjunction ♂ natal Mars

Right now you feel **more direct and impatient** than usual, and you're likely to say what you actually think instead of holding back. Your emotional reactions are faster and stronger, so small frustrations can suddenly feel urgent. Over the coming weeks, this makes you either get things done quickly or start arguments you wouldn't normally pick, depending on what's happening around you.

♀ Venus ∟ Semi sextile ♁ natal Chiron

Over the coming weeks, you find yourself **more willing to talk about things that usually embarrass you**, and people respond with real kindness instead of judgment. Small acts of self-care start feeling less like indulgence and more like basic respect for yourself. This gentle period gives you a chance to practice being honest about your needs without shame getting in the way.

♅ Uranus ∟ Semi sextile ♃ natal Jupiter

These days you're picking up on new possibilities that others around you haven't noticed yet, and your **natural optimism makes you willing to try them**. A small opportunity in work or learning might appear suddenly, and you'll have the confidence to act on it without overthinking the risks. Over the coming weeks, this forward momentum helps you feel less stuck in old routines and more curious about what comes next.

☾ Moon △ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

› Moon △ Trine ♄ Saturn

These days your **emotions feel steady and reliable** instead of all over the place. You can handle practical problems without getting upset, and people around you notice you're calmer than usual. This is a good time to sort out real issues because your feelings aren't getting in the way of clear thinking.

› Moon * Sextile ♅ Uranus

These days you feel more willing to try something different without the usual fear holding you back. Your emotional reactions are quicker and sharper, letting you spot solutions that seem obvious once you see them. **You act on impulses in practical ways** — calling someone you've been meaning to reach out to, rearranging your space, or saying what you actually think — and it lands well with people around you.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♌ Leo · Day 7 / 30 · Waxing Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
