SOLAR ANALYSIS

Solar ASC ♏ Scorpio → natal H6 — Health & Service

The year is shaped by **work, health, and the discipline of daily life**. Routines, service, and practical improvement are the year's defining themes. This is a productive year for establishing habits that serve your long-term wellbeing — physical, professional, and organizational. Work demands may increase, or you may be drawn to refine the way you operate day to day. **Small, consistent actions compound into significant change** under this placement.

Dispositor ♇ Pluto → ♋ Cancer · natal H2 — Resources & Values

The dispositor in the natal second house grounds the year's theme in **practical resources and personal values**. Whatever the year's main focus, it will be realized through money, material security, or a clearer sense of what you truly value. Financial decisions and questions of self-worth become the channel through which the year's larger themes express themselves.

Building a stable material base is the practical work that makes everything else possible.

♀ Solar Venus → natal H11 cusp

0.4°

Your friendships and social connections become more rewarding and harmonious this year. **You attract like-minded people** who share your values and interests without much effort. *Venus* here softens your social presence and makes group settings feel more enjoyable. **Collaborative projects with friends** or involvement in communities you care about will likely flourish.

♂ Solar Mars → natal H1 cusp

0.8°

You come across as more assertive and direct with others this year. **Your confidence and willingness to take action** become visible to everyone around you. *Mars* here gives you extra drive to pursue what you want without waiting for permission. **You take more initiative** in conversations and situations instead of holding back.

♅ Natal Uranus → solar H1 cusp

0.8°

You bring a fresh perspective to everything you do this year. You are not bound by how things have always been done. **People notice your honesty and your unique way of seeing the world**. This is a good year to stand out and show what makes you different.

♄ Natal Saturn → solar H10 cusp

0.9°

Your career moves forward through steady effort and real skill this year. You know how to work without complaining and how to be professional. **People notice your reliability and give you more responsibility**. This is a good year to ask for promotion or take on a bigger role.

♇ Pluto · solar H1 rul. ☐ Square ♇ natal Pluto

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

♇ Pluto · solar H1 rul. ☒ Quincunx ♆ natal Neptune

Right now you're noticing gaps between what you imagined and what's actually happening in your life. You feel **pulled to question beliefs or habits you've relied on**, even though you can't quite explain why they suddenly feel wrong. Over the coming weeks, expect to feel unsettled about plans or ideas until you adjust them to match reality more closely.

♊ NNode ∠ Semi sextile ♃ natal Jupiter

Over the coming weeks, you find it easier to say yes to opportunities that genuinely interest you, and **people respond well to your openness**. Small doors open without you having to push hard—a conversation leads to an invitation, or you spot something useful almost by accident. You feel less blocked by your own doubts right now, which means you actually follow through on ideas instead of talking yourself out of them.

♁ Chiron ☐ Square ☼ natal Sun

Over the coming weeks, you'll feel **self-doubt creeping into situations where you'd normally feel confident**. Small failures or critical feedback will sting more than usual, and you may withdraw from activities where you typically lead. This is *Chiron* square your *Sun* forcing you to notice where your confidence is fragile or built on shaky ground.

♄ Chiron □ Square ♀ natal Venus

You may feel rejected or inadequate in your relationships right now, picking up on small slights and interpreting them as proof that you're not lovable. Your usual warmth and charm feel blocked, making it harder to ask for what you want or to enjoy physical affection without second-guessing yourself. Over the coming weeks, this discomfort pushes you to stop abandoning your own needs in order to keep people happy.

♆ Neptune ∟ Semi sextile ♂ natal Mars

Right now your usual drive to act is softened by a gentler, more intuitive approach to what you want. You find yourself **listening to your gut before charging ahead**, which actually helps you avoid wasted effort and see better options. Over the coming weeks, this combination of *Neptune* and *Mars* lets you pursue your goals with less force and more imagination, making your efforts feel easier even when you're working hard.

♆ Neptune △ Trine ♄ natal Chiron

Over the coming weeks, you find it easier to talk about your past hurts without getting stuck in them. People seem to open up to you more readily because you listen without judgment or trying to fix things. Your **natural compassion** is flowing right now, making this a good time to help others or work through your own emotional wounds with a professional.

♁ Lilith ♂ Conjunction ♆ natal Neptune

These days you're more drawn to people and situations that feel emotionally intense or slightly forbidden, and you may **ignore practical warning signs** because the pull feels meaningful to you. Your usual ability to see through manipulation or deception gets softer right now, so you're more likely to believe what you want to believe about someone or something. Over the coming weeks, check your choices against what you actually know to be true, not just what feels compelling in the moment.
