## KEY TRANSIT FACTORS

### ♅ Uranus ☌ Conjunction ♄ natal Saturn

You feel a sudden urge to break free from routines and structures that have been holding you in place, even the ones you built yourself. **You become restless with rules and schedules** — whether at work or in your personal life — and you start questioning why you've accepted certain limits. Over the coming weeks, you'll likely make at least one practical change to how you organize your time or responsibilities, and it may feel both liberating and slightly uncomfortable at the same time.

### ♁ Chiron \* Sextile ♃ natal Jupiter

You find it easier right now to talk about past disappointments without getting stuck in them. Your natural ability to look forward and find the practical lesson in what went wrong is stronger than usual. Over the coming weeks, this becomes a genuine resource—you can help others see their setbacks as useful information rather than permanent failures.

### ♀ Venus △ Trine ☿ natal Mercury

Right now you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond well to your words because you're speaking with warmth and directness at the same time, which makes conversations flow naturally. Over the coming weeks, this is a good window to have the conversations you've been putting off or to pitch ideas you've been sitting with.

### ♃ Jupiter \* Sextile ♄ natal Saturn

Right now you find it easier to **follow through on commitments** without feeling weighed down by them. *Jupiter* is supporting your *Saturn*, which means you can take on real responsibility and actually enjoy the structure instead of resenting it. Over the coming weeks, you'll notice that planning ahead and sticking to deadlines feels less like a burden and more like something that works in your favor.

### ♇ Pluto △ Trine ☉ natal Sun

Right now you feel **less afraid to make real changes** in your life, and people respond to this quiet confidence. You stop waiting for permission and start acting on decisions you've been sitting with for months. Over the coming weeks, you'll notice doors opening because you're finally moving forward instead of second-guessing yourself.

### ☉ Sun □ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

### ☾ Moon □ Square ☿ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

› Moon ☐ Square ♂ Mars

These days you're more likely to act on frustration before you think it through, and small annoyances can feel urgent and demanding. **Your emotional reactions move faster than your good judgment**, so conversations with others can turn sharp or heated quickly. This period pushes you to notice the gap between what you feel and what actually needs to happen right now.

LUNAR DAY

---

Moon in ♏ Scorpio · Day 24 / 30 · Last Quarter

**Psychological intensity rises** for the next 48 hours, and surface-level talk becomes noticeably less satisfying. People read into what others leave unsaid more than usual, and private matters feel more pressing.
