KEY DATE

☿ Mercury enters ♉ Taurus

Mercury moving into *Taurus* shifts how you **communicate and think** — you'll notice yourself speaking more slowly, choosing words with care instead of rushing through sentences. At work and in conversations, people tend to **focus on practical details** and want concrete facts rather than abstract ideas, which means discussions about money, plans, or decisions take longer but reach clearer agreements. This transit makes most people **stick to their positions** once they've decided something, so expect less back-and-forth and more people digging in on what they actually believe.

KEY TRANSIT FACTORS

☉ Sun ☾ Semi sextile ♁ Chiron ★

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The *Sun* and *Chiron* aspect right now creates a quiet window where you see yourself more clearly and can make real changes.

♁ NNode ☽ Trine ♀ natal Venus

Right now you find it easier to **say what you actually want in relationships** instead of hiding your needs. People respond well to your honesty because you're not aggressive about it, just clear. Over these coming weeks, you may notice others treating you with more warmth and respect when you show up as your authentic self.

☾ Moon ★ Sextile ♃ natal Jupiter

You feel **more generous and open to other people** right now, which makes conversations easier and helps you connect with others without overthinking things. Your mood is lighter, and you're more likely to say yes to social invitations or to help someone out without keeping score. This is a good window to ask for what you need or to approach someone you've been meaning to reach out to, because you come across as relaxed and genuinely interested in them.

♀ Venus ☽ Semi sextile ☾ natal Moon

These days you find it easier to **accept comfort from people around you** without overthinking it or pulling away. Your emotional guard drops just enough that you can actually enjoy a conversation, a meal shared, or someone's company without feeling like you need to earn it. This small shift makes your relationships feel less like work and more like something that naturally fills you up.

♁ Chiron ☐ Square ♀ natal Venus

You may feel rejected or inadequate in your relationships right now, picking up on small slights and interpreting them as proof that you're not lovable. Your usual warmth and charm feel blocked, making it harder to ask for what you want or to enjoy physical affection without second-guessing yourself. Over the coming weeks, this discomfort pushes you to stop abandoning your own needs in order to keep people happy.

♆ Neptune * Sextile ♅ natal Uranus

Over the coming weeks, your **creative thinking becomes unusually practical** — you find ways to bring odd ideas into real projects instead of just imagining them. You're drawn to trying unconventional approaches to familiar problems, and right now people actually listen because your suggestions make sense. This is a good time to experiment with new methods at work or tackle a personal project you've been avoiding because it seemed too different.

☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun * Sextile ♃ NNode

Right now you find it easier to **say yes to opportunities that feel natural** instead of forcing yourself into situations that do not fit you. People around you notice you are more relaxed about taking small steps forward, and you move with less self-doubt. This period supports you in choosing what actually matches who you are becoming, rather than chasing what you think you should want.

* = natal resonance — this transit echoes your birth chart, amplifying its influence
