KEY TRANSIT FACTORS

☉ Sun △ Trine ♃ Jupiter ★

Right now you feel **more confident about your abilities** and you're likely to take on tasks you've been putting off. People around you notice your optimism and it spreads, making conversations easier and collaborations feel lighter. This is a practical window where your effort tends to produce visible results, so taking action on something you care about usually pays off.

♂ Mars △ Trine ♀ natal Venus

Right now you find it much easier to **ask for what you want** without feeling guilty or defensive about it. Your social confidence is naturally higher, and people respond well to the directness and warmth you're putting out. Over these coming weeks, you might notice yourself saying yes to invitations or making plans you'd normally hesitate about, and things tend to go smoothly when you do.

♆ Neptune ♂ Opposition ♁ natal Chiron

Right now you are **avoiding looking at your own vulnerabilities** by escaping into fantasy or wishful thinking about how others see you. This makes it harder to get real feedback or help with the areas where you actually struggle. Over the coming weeks, you may find that people let you down or that your own self-image cracks when reality catches up.

♅ Uranus qx Quincunx ♆ natal Neptune

Over the coming weeks, you may notice your usual routines feel less satisfying or believable than before. You might find yourself questioning plans you thought were solid, or feeling restless about commitments that once felt safe. This **disconnect between what you expect and what actually holds your attention** can make it hard to stick with anything for long, so building in flexibility rather than fighting the feeling works better right now.

♁ NNode △ Trine ♀ natal Venus

Right now you find it easier to **say what you actually want in relationships** instead of hiding your needs. People respond well to your honesty because you're not aggressive about it, just clear. Over these coming weeks, you may notice others treating you with more warmth and respect when you show up as your authentic self.

♂ Mars △ Trine ♂ natal Mars

You find it easier to push through physical tasks and stick with difficult goals while this lasts. Your usual drive gets a real boost, so work projects move faster and exercise feels less like a battle. This is a good time to tackle anything that requires sustained effort because your natural assertiveness and your ability to follow through are working together smoothly.

☿ Mercury Rx · ♌ Leo

Self-expression feels less fluid right now and there is a tendency to overthink how you come across to others. Conversations about recognition, creative projects, or past performances may resurface during this period. Creative work benefits more from revision than from new starts right now.

♀ Venus Rx · ♌ Leo

The need for admiration and recognition in relationships surfaces more strongly right now, sometimes in ways that surprise you. Past romantic connections or unresolved questions about self-worth may return during this period. Examining what you genuinely offer in relationships is more useful than seeking external validation.

♃ Jupiter Rx · ♐ Sagittarius

Beliefs, philosophies, and long-held worldviews are under more rigorous self-examination than usual right now. Optimism that has been unquestioned may suddenly reveal its assumptions. This period is genuinely useful for distinguishing between what you believe and what you actually know.

☉ Sun ☿ Conjunction ♀ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.
