## KEY DATE

### ☿ Mercury enters ♊ Gemini

*Mercury* entering *Gemini* sharpens your ability to **pick up details** and **connect ideas quickly**, so conversations at work or home tend to move faster and cover more ground. People often notice they're **more curious** about how things work and less patient with slow explanations, which can make learning something new feel easier but also make waiting for others frustrating. At work and in daily tasks, **short-form communication** — texts, quick calls, bullet points — becomes more natural than long emails, and your mind jumps between topics more readily.

### ♃ Jupiter enters ♉ Taurus

*Jupiter* in *Taurus* makes people **slower to decide** but more **confident once they commit** to money moves, property deals, or long-term plans. At work and in relationships, you'll notice a shift toward **wanting real results** rather than quick wins — people spend time building something solid instead of jumping between options. Over time, those who **take deliberate action** on financial goals or practical projects during this transit tend to see actual gains, though the pace feels measured compared to what *Jupiter* usually delivers.

## KEY TRANSIT FACTORS

### ☿ Mercury △ Trine ♅ natal Uranus ★

Your mind is working faster than usual right now, and you're making unexpected connections between ideas that seemed unrelated before. You find yourself **thinking in new directions** and willing to try approaches that normally wouldn't occur to you. Over the coming weeks, this mental clarity can help you solve practical problems or come up with fresh solutions at work or in your personal projects.

### ☉ Sun △ Trine ♃ natal Jupiter ★

Right now you find it easier to take reasonable risks and see possibilities instead of obstacles in your practical situations. You feel more confident in social settings and people respond well to your **natural optimism**, which makes conversations flow and opportunities show up. This period is ideal for pitching ideas, asking for what you want, or starting something new because your timing feels right and your judgment is solid.

### ☿ Mercury ☍ Opposition ♇ natal Pluto

Right now you're likely to say things that feel urgent and important but come across as harsh or controlling to others. You may notice yourself pushing conversations toward uncomfortable truths or **interrogating people about their motives** in ways that feel justified to you but leave them feeling attacked. These days, your words have a sharp edge, and backing down or softening what you've said feels impossible until this transit passes.

### ☾ Moon ☾ Semi sextile ♃ natal Jupiter

These days you find it easier to **see the good in situations** and bounce back quickly from small disappointments. Your mood lifts naturally when you focus on what you've learned from recent experiences, and people around you notice you're more optimistic than usual. This is a good window to say yes to invitations or try something new, since your confidence in things working out is genuinely higher right now.

### ☉ Sun ☽ Trine ☉ natal Sun

You feel **naturally confident** in who you are right now, and people respond to that ease in you. Your goals and what you actually want to do line up better than usual, so decisions feel less exhausting. Over the coming weeks you'll probably notice yourself moving forward on things without having to push so hard.

### ☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

### ☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.
