KEY TRANSIT FACTORS

♆ Neptune ☐ Square ♀ natal Venus

Right now you are **drawn to people and situations that are not what they seem**, and you will likely regret the time and money you invest in them. *Neptune* is blurring your judgment about what you actually want from relationships and what others can realistically give you. Over the coming weeks, pay close attention to the gap between the promises people make and what they actually deliver, because your usual ability to read a situation is temporarily offline.

☾ Moon ♂ Conjunction ♁ natal Lilith

These days you're more aware of what you actually want instead of what you think you should want, and you're less willing to hide or soften your real opinions. People around you might notice you're more direct, especially about boundaries or topics you normally avoid. This sharpness in how you communicate and what you're willing to say out loud will fade once the *Moon* moves on, but right now it's giving you a chance to see which of your relationships can handle the real you.

♀ Venus * Sextile ♋ natal NNode

Over the coming weeks, you find it easier to **say yes to people and opportunities that feel right**, without overthinking or second-guessing yourself. Your social confidence picks up naturally, and others respond well to you because you're more relaxed and genuine in conversations. This is a good time to accept invitations, start conversations with people who matter to you, or take a small social risk you've been considering.

☾ Moon ♃ Quincunx ♃ natal Jupiter

Over the coming weeks, you might feel **restless about your own beliefs or plans** without being able to pinpoint why. Your emotional needs and your larger goals keep pulling in different directions, making it hard to feel settled in either area. This mismatch usually passes on its own once the transit moves on.

♄ Saturn * Sextile ♋ natal NNode

You are finding it easier to stick with commitments that actually matter to you right now, whether that's a project, a relationship, or a personal goal. **Your ability to follow through** feels natural instead of forced, and people around you notice you are more reliable than usual. This period gives you real momentum to build something solid that aligns with where you actually want to go.

☉ Sun ♂ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ♂ Conjunction ♄ Saturn

Right now you are more aware of your own limits and what you actually need to do versus what you want to do. You become **more serious about your responsibilities** and less interested in shortcuts or excuses. This is a practical time to make concrete progress on something that matters, even if it feels slow or requires discipline.

LUNAR DAY

Moon in ♌ Leo · Day 30 / 30 · Waning Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
