KEY TRANSIT FACTORS

♃ Jupiter △ Trine ☿ natal Mercury

Right now your thinking is clearer than usual and you find it easier to explain what you mean to other people. You're picking up on details and patterns you normally miss, which helps you solve problems faster and make better decisions in practical situations. This is a good time to write, teach, negotiate, or learn something new because your mind is working **with less friction** and your words land better with others.

♂ Mars □ Square ♁ natal Chiron

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

♆ Neptune □ Square ♆ natal Neptune

You're finding it harder right now to trust your own judgment about what's real and what you're imagining. Your sense of direction—both practical and psychological—feels foggy, and you may catch yourself **making decisions based on wishful thinking rather than facts**. These days your instinct to escape or avoid difficult situations is stronger than usual, and giving in to that impulse will only create more problems down the line.

☉ Sun △ Trine ☿ natal Mercury

Your thinking is unusually clear right now, and you find it easy to explain what you actually mean. People listen to you more carefully these days because you sound confident and straightforward. This is a good time to have conversations you have been putting off, write something important, or learn something new—your **mind absorbs information quickly** and your words land better than usual.

♆ Neptune □ Square ♂ natal Mars

Right now your usual drive and confidence feel blurred, making it hard to know what you actually want versus what you think you should do. You may **start projects you abandon halfway through, or lose the will to push forward on things that normally matter to you**. This fog around your own direction lasts a few weeks and can leave you frustrated with yourself for lacking the usual clarity.

♀ Venus Rx · ♊ Gemini

Social connections from the past resurface and existing relationships require more honest communication than usual. Flirtation and surface-level charm lose their usual effect during this period. What you actually want from relationships — rather than what seems appealing — becomes clearer if you pay attention.

☉ Sun ♂ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

› Moon ∟ Semi sextile ♀ Venus

These days you find it easier to **say what you actually feel** without worrying so much about how it lands. The emotional and social parts of you are working together instead of against each other, so expressing affection or gratitude comes naturally. This is a good window for having honest conversations with people you care about without the usual awkwardness getting in the way.

› Moon * Sextile ♂ Mars

Right now you feel like **taking action on things that matter to you emotionally**, and your body has the energy to back it up. You're not overthinking or second-guessing yourself as much as usual; instead you're moving forward with projects or conversations that felt stuck before. This is a practical window for getting things done without burning yourself out.

LUNAR DAY

Moon in ♉ Taurus · Day 29 / 30 · Waning Crescent

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.

CLOTHING & JEWELRY

Saturday · ♄ Saturn · Venus in Cancer

Saturday is Saturn's domain — dark violet, charcoal, or deep plum reflect discipline and depth. Obsidian or onyx as a grounding stone supports structure and focus.
