KEY TRANSIT FACTORS

☉ Sun Δ Trine ☾ natal Moon · peak 28 Dec \star

Right now you find it easier to **trust your gut feelings** and act on them without second-guessing yourself. Your emotional needs and practical decisions are lining up well, so you feel more settled and confident in what you want. Over the coming weeks, people around you will likely notice you seem calmer and more genuine than usual.

♆ Neptune \times Quincunx ♁ natal NNode · peak 17 Dec

Over the coming weeks, you may find it harder to stick to your usual social routines and feel less sure about which people or groups really matter to you. Your sense of direction in friendships becomes **less clear and more fluid**, making it difficult to commit to plans or decide where you genuinely belong. This is a good time to notice which connections feel off or forced rather than act on those feelings right away.

♁ NNode Δ Trine ♃ natal Jupiter · peak 1 Dec

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

♁ NNode Δ Trine ☾ natal Moon · peak 13 Dec

Right now you find it easier to **trust your gut feelings** about what you need, and people around you respond well to this honesty. Your emotional boundaries feel more natural to maintain without effort or guilt. Over the coming weeks, you're likely to make social choices that actually suit you instead of just going along with others.

♆ Neptune \circ Opposition ☉ natal Sun · peak 31 Dec

Right now you are **doubting your own judgment** and struggling to see yourself clearly. You may act in ways that confuse people or that you later regret because your sense of who you are has become fuzzy. This confusion will pass, but while it lasts you need to slow down on big decisions and check your choices with someone you trust.

♁ NNode \times Quincunx ♄ natal Saturn · peak 31 Dec

Right now you are noticing a mismatch between what you feel you should do and what actually works in your life, which makes **decision-making feel awkward and slow**. You might find yourself second-guessing practical choices or feeling like the obvious path forward has a hidden complication you cannot quite name. Over the coming weeks, the best approach is to sit with this discomfort rather than push through it—your instincts are picking up on something real that needs attention.

♆ Neptune \star Sextile ♃ natal Jupiter · peak 1 Dec

You're finding it easier to see the bigger picture in situations that usually feel confusing or overwhelming. Your **confidence in what's possible** is quietly growing, and people around you notice you're more relaxed about uncertainty. Over the coming weeks, this natural optimism can help you take practical steps toward goals you've been hesitant about.

♅ Pluto ☐ Square ♄ natal Chiron · peak 1 Dec

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♁ NNode ∟ Semi sextile ♃ natal NNode · peak 1 Dec

Over the coming weeks, you'll find it easier to **connect with people who share your actual values and interests** instead of forcing relationships that don't fit. You're picking up on social cues more naturally right now, which helps you spot who genuinely has your back. This period supports you in building friendships and groups based on real compatibility rather than habit or obligation.

♁ NNode ♂ Conjunction ☉ natal Sun · peak 1 Dec

Right now you feel **pulled toward doing things that matter to you personally**, even if they're not what others expect. You notice you care less about fitting in and more about showing up as yourself in conversations and decisions. Over the coming weeks, this shift might create friction in relationships where you've usually compromised, but it also clarifies what you actually want.

♆ Neptune * Sextile ♀ natal Moon · peak 1 Dec

Your **emotional intuition is sharper right now**, and you pick up on what people actually mean beneath their words. You find yourself more patient with others' feelings and less likely to react defensively when someone upsets you. Over the coming weeks, this softer approach tends to draw people closer to you and makes conversations feel safer for everyone involved.

♃ Jupiter ♂ Conjunction ♄ natal Chiron · peak 1 Dec

Over the coming weeks, you're likely to feel more **willing to talk about past hurts that usually stay private**. People around you may notice you're more open and less defensive when difficult topics come up. This period can actually help you move through some old emotional blocks because you're not fighting against them as hard as usual.

♁ NNode ∟ Semi sextile ☿ natal Mercury · peak 31 Dec

Over the coming weeks, you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. People respond better to your words because you're speaking more directly and with less self-doubt. This is a good time to have conversations you've been putting off or to pitch an idea you believe in.

☿ Mercury △ Trine ♀ natal Moon · peak 8 Dec

Right now you find it much easier to say what you actually feel without overthinking it. Your conversations with people close to you flow naturally because you can **express emotions clearly and listen without getting defensive**. This is a good window to have the conversations you've been putting off, since what you say lands well and creates real understanding.

☿ Mercury △ Trine ☉ natal Sun · peak 10 Dec

Your thinking is **clearer and more direct** right now, and people respond better when you explain yourself. You find it easier to say what you actually mean instead of second-guessing your words, which makes conversations feel less exhausting. Over the coming weeks, this mental clarity also helps you solve practical problems faster and notice details you usually miss.

LUNATIONS

- Full Moon · Tuesday, 13 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H4 — Home & Family

Your home life and emotional foundations are under full illumination. A situation within the family or domestic sphere is reaching a point where **something must be acknowledged, resolved, or released**. Old patterns around belonging, security, or private matters surface with unusual clarity. This full moon often coincides with a change of residence, a family conversation that's been overdue, or a significant shift in how you feel about where you belong.

● New Moon · Thursday, 29 Dec

in ♑ Capricorn

long-term goals, ambition, structural reset

in H11 — Community & Goals

A fresh cycle is opening around **friendships, group affiliations, and your hopes for the future**. This is the right time to join a new community, strengthen bonds with people who share your values, or clarify what you truly want from the years ahead. Social connections formed under this lunation often turn out to be meaningful and lasting. A dream or long-term goal that's been forming in the background is ready to move from the conceptual stage to the practical.

KEY DATES

Thu, 1 Dec ☿ Chiron stations Direct

♁ NNode △ Trine ♃ natal Jupiter

Chiron stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

Sat, 3 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 4 Dec ♁ NNode △ Trine ☾ natal Moon

Thu, 8 Dec ♀ Venus enters ♒ Aquarius

☿ Mercury △ Trine ☾ natal Moon

Venus in *Aquarius* makes people **less interested in traditional relationship rules** and more drawn to friends, group settings, or unconventional arrangements. In practice, you might notice yourself **valuing independence and honesty** over romantic gestures, or finding that casual friendships suddenly feel more appealing than intense one-on-one bonds. At work and in daily life, this transit brings a **cooler, more detached approach** to money and socialising—you'll likely spend less on impulsive buys and prefer people who let you do your own thing.

Sat, 10 Dec ☿ Mercury △ Trine ☼ natal Sun

Tue, 13 Dec Full Moon in Gemini

♁ NNode △ Trine ☾ natal Moon

Sun, 18 Dec ♆ Neptune ♂ Opposition ☼ natal Sun

Mon, 19 Dec ☿ Mercury stations Retrograde

♂ Mars enters ♓ Pisces

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Wed, 21 Dec ☼ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Tue, 27 Dec ☿ Mercury △ Trine ☼ natal Sun

Thu, 29 Dec ♅ Uranus stations Direct

New Moon in Capricorn

Uranus turning direct after months backward means **stuck situations finally shift** — delays in tech, contracts, or unusual projects resume their forward motion. What felt **blocked or confusing** about your routines, friendships, or work systems becomes **clearer to act on** now that the planet moves the way it normally does. Most people notice they can **make real changes** instead of just thinking about them, whether that's switching jobs, updating systems, or ending relationships that went nowhere during the retrograde.
