♁ North Node	in	♎ Libra	9°27'41"	VIII Rx
♁ Lilith	in	♌ Leo	7°56'00"	VII

## KEY TRANSIT FACTORS

## ♆ Neptune \* Sextile ♆ natal Neptune · peak 4 Jun

You find it easier right now to **notice patterns in your own thinking** without getting caught up in them. Your intuition about what people need from you becomes clearer, and you can offer support without losing yourself in their problems. Over the coming weeks, this practical clarity about emotional situations helps you make better choices about who and what deserves your time.

## ♄ Saturn qx Quincunx ♂ natal Mars · peak 19 Jun

These days you feel a disconnect between what you want to do and what you think you should do, and this creates practical friction in your daily routines. You might start a task with energy but then second-guess yourself or hit unexpected obstacles that force you to slow down and reconsider. This awkward mismatch between your impulses and real-world constraints is temporary, but right now it's teaching you where your approach needs **more realistic planning** instead of just pushing forward.

## ♃ Jupiter ♂ Conjunction ♄ natal Saturn · peak 15 Jun

Over the coming weeks, you're likely to feel **more serious about your plans and less willing to skip steps**. You'll probably want to finish what you've started before moving on to something new, and you may feel frustrated if others rush you or if deadlines keep shifting. This is a practical time to consolidate what you've built and to test whether your ambitions actually work in the real world.

## ♃ Jupiter ∟ Semi sextile ☾ natal Moon · peak 27 Jun

You find it easier to ask for what you need right now, and people tend to respond well when you do. Your mood is steadier than usual, which makes **speaking up about emotional concerns feel less risky**. Over the coming weeks, small conversations that might normally feel awkward often lead to genuine support instead.

## ♄ Saturn ∟ Semi sextile ♆ natal Neptune · peak 4 Jun

Right now you find it easier to **turn vague ideas into concrete plans** without losing the creative spark. Your imagination doesn't disappear—instead it becomes practical, helping you sketch out what actually needs to happen next. Over the coming weeks, this steadiness makes you more likely to follow through on things you usually abandon halfway.

## ♆ Neptune △ Trine ♂ natal Mars · peak 1 Jun

Right now you find it easier to act on your creative ideas without overthinking or second-guessing yourself. Your usual need to charge ahead gets **softened by intuition**, so you pick up on what others actually need instead of just pushing your own agenda. Over the coming weeks, this blend of confidence and sensitivity means you can get things done while keeping people around you feeling heard.

### ♄ Saturn qx Quincunx ♀ natal Venus · peak 30 Jun

Over the coming weeks, you may feel **awkward or hesitant in relationships** even though you want to be close to someone. Small gestures of affection or attempts to connect might feel clumsy or poorly timed, leaving you wondering if you are doing things right. This is temporary friction between what you want emotionally and what feels practical or safe right now.

### ♃ Jupiter □ Square ♃ natal Jupiter · peak 30 Jun

Right now you're caught between wanting to expand too fast and hitting real practical limits. You overestimate what you can handle, say yes to too much, and then feel frustrated when reality doesn't cooperate with your plans. These friction points are teaching you where your actual resources end, but the lesson feels annoying rather than helpful **while it lasts**.

### ♃ Jupiter ♂ Opposition ♀ natal Mercury · peak 1 Jun

Over the coming weeks, you are likely to **overstate your case and talk past people** instead of actually listening to what they think. Your confidence in your own opinions grows while your ability to hear other viewpoints shrinks, making conversations feel frustrating on both sides. This is a practical problem right now: you may make decisions based on incomplete information or damage working relationships by dismissing input you actually needed.

### ♆ Neptune △ Trine ♀ natal Venus · peak 1 Jun

These days you're drawn to people and situations that feel emotionally comforting, and others respond to your **gentler, more accepting presence**. Your social interactions become less demanding because you're naturally more willing to go along with what people suggest rather than pushing your own preferences. Over the coming weeks this softness in how you show up can deepen your existing relationships, though you'll want to notice if you're avoiding saying what you actually want.

### ♄ Chiron ♂ Opposition ♄ natal Chiron · peak 1 Jun

Right now you're running into situations where your usual coping strategies stop working the way they used to. You feel **more defensive about your weak spots** and less willing to accept help from others who see them. Over the coming weeks, this friction forces you to actually examine what you've been protecting instead of just moving past it.

### ♅ Uranus qx Quincunx ♄ natal Chiron · peak 1 Jun

Over the coming weeks, you may feel restless about areas where you've learned to accept limitations. **You notice yourself questioning old workarounds and feeling uncomfortable with compromises that used to feel necessary**. This discomfort is not a sign something is wrong—it's your mind flagging habits that no longer fit who you are becoming.

### ♃ Jupiter ♂ Opposition ♃ natal NNode · peak 30 Jun

Over the coming weeks, you're likely to **overcommit yourself** and take on more than you can realistically handle. Your usual sense of what fits your life gets temporarily skewed, and you end up saying yes to opportunities that pull you away from what actually matters to you. This period asks you to notice where you're spreading yourself too thin and to start saying no more often.

### ♇ Pluto \* Sextile ♇ natal Pluto · peak 1 Jun

You find it easier right now to **let go of situations that no longer serve you** without drama or regret. *Pluto* transiting in *sextile* to your natal *Pluto* gives you psychological permission to close chapters cleanly and move forward. Over the coming weeks you may notice you're making practical decisions about what stays and what goes with unusual clarity and calm.

### ♃ Jupiter qx Quincunx ☉ natal Sun · peak 30 Jun

Over the coming weeks, you feel pulled toward bigger plans or ambitions but find the timing awkward — what looks promising on paper doesn't fit smoothly into your actual life right now. You may **start projects with real enthusiasm only to realize they need reworking** once you see how they actually slot into your schedule or resources. This period asks you to adjust your expectations rather than push forward unchanged, and that kind of practical recalibration takes patience.

### ♃ Mercury Rx · ♉ Taurus

Mental processes slow noticeably and a stubbornness in thinking makes it harder than usual to change your mind. These days you may return to financial decisions, possessions, or value-related questions that seemed settled. Take your time — the careful review you do now will save costly corrections later.

## LUNATIONS

---

○ Full Moon · Tuesday, 14 Jun

### in ✈ Sagittarius

beliefs tested, freedom vs commitment, peak optimism

### in H11 — Community & Goals

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

● New Moon · Wednesday, 29 Jun

in ♋ Cancer

emotional reset, home, inner security

in H5 — Creativity & Romance

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

#### KEY DATES

**Wed, 1 Jun** ♆ Neptune △ Trine ♂ natal Mars

♃ Jupiter ♋ Opposition ☿ natal Mercury

♄ Chiron ♋ Opposition ♄ natal Chiron

**Fri, 3 Jun** ☿ Mercury stations Direct

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

**Sat, 4 Jun** ♆ Neptune ✕ Sextile ♆ natal Neptune

**Sun, 5 Jun** ♄ Saturn stations Retrograde

*Saturn* stationing retrograde means **delays and reviews become the pattern** for the next few months in work, responsibilities, and long-term plans. When this planet appears to move backward, people commonly experience **slowdowns in projects, contracts, or official processes** — deadlines shift, approvals take longer, and progress feels stuck even when you're putting in effort. The practical shift is to **focus on fixing past mistakes** and tightening up weak spots in your systems rather than pushing hard for new starts during this time.

**Mon, 13 Jun** ♆ Neptune ✕ Sextile ♆ natal Neptune

**Tue, 14 Jun** ☿ Mercury enters ♊ Gemini

Full Moon in Sagittarius

*Mercury* entering *Gemini* sharpens your ability to **pick up details** and **connect ideas quickly**, so conversations at work or home tend to move faster and cover more ground. People often notice they're **more curious** about how things work and less patient with slow explanations, which can make learning something new feel easier but also make waiting for others frustrating. At work and in daily tasks, **short-form communication** — texts, quick calls, bullet points — becomes more natural than long emails, and your mind jumps between topics more readily.

**Wed, 15 Jun** ♃ Jupiter ♂ Conjunction ♄ natal Saturn

**Tue, 21 Jun** ☉ Sun enters ♋ Cancer

*Sun* in *Cancer* brings a noticeable shift toward **protecting what matters** — people tend to care more about home, family routines, and feeling secure in their immediate circle. At work and in daily tasks, you'll notice people becoming **more cautious** about changes and preferring to stick with what's familiar rather than taking unnecessary risks. In relationships, this transit makes **emotional honesty** feel more important, so conversations about feelings and loyalty become harder to avoid and easier to have.

**Thu, 23 Jun** ♀ Venus enters ♊ Gemini

*Venus* in *Gemini* makes people **more talkative and curious** about the people around them, so conversations feel lighter and flirtation happens more easily. At work and in friendships, you'll notice **shorter attention spans** — everyone wants variety instead of depth, which means plans change faster and people juggle multiple projects or interests at once. This transit typically brings **less commitment** to big decisions about money or relationships, so it's a better time to explore options than to lock anything down.

**Tue, 28 Jun** ♆ Neptune stations Retrograde

*Neptune* stationing retrograde marks the point where **clarity takes a step back** in the areas it governs — dreams, beliefs, creativity, and what you're willing to believe about yourself or others. During this period, people often notice **confusion returning to situations** they thought were settled, delays in creative projects, or the need to rethink agreements that felt unclear to begin with. *Neptune* retrograde typically brings **reality checks** that strip away wishful thinking, so you may spot where you've been fooling yourself or where someone else's promises don't actually add up.

**Wed, 29 Jun** New Moon in Cancer

**Thu, 30 Jun** ♃ Jupiter □ Square ♃ natal Jupiter
